

## U-turn on jet skis

PUBLIC OPINION FORCES DISTRICT COUNCIL TO RECONSIDER

PUBLIC opinion has forced West Dorset District Council to think again about their controversial proposal to allow jet-skis to launch from the Cobb harbour for a trial period.

Following a Facebook campaign - "Keep jet skis out of West Dorset" - which attracted over 100 followers, district

By Philip Evans

council officials have been inundated in recent days with complaints drawing attention to the unsuitability of the personal watercraft operating from the Lyme and West Bay harbours.

West Dorset MP Oliver Letwin also joined the legion of protesters and, in a letter to district council chief executive, David Clarke, he wrote: "I am bound to say that I rather share the view taken by my correspondents that the peaceful enjoyment of Lyme Bay is likely to be very much diminished by what are inevitably very noisy machines."

### Not consulted

The idea of allowing jet skis to use the harbour was raised at meetings of the harbour users in Lyme and West Bay last October where the district council claim there was "almost 100 per cent support".

The Lyme meeting included a representative from Lyme Regis Town Council as well as business representatives from around the Cobb.

Harbour users have since denied this and town councillors complained that they had not been consulted.

In a letter to one of the protesters, district council leisure and tourism manager Nick Thornley recognised that the decision could "cause a reaction" so came up with the idea of a trial with a limited number of permits.

He said: "The aim of this was for everyone to see what a modern jet ski looked like and sounded like. Then it will be for the district council to consider a long term decision."

"We intend to look at this issue over the summer and encourage feedback based on fact rather than emotion and hearsay."

But after being deluged with complaints, Mr Thornley has informed one of the leading protesters, Jill Newton, saying: "We will have another look at this issue."

"In looking at the jet ski issue in more depth via a consultation we did not want to cause any concern locally. It is a relatively minor issue in terms of harbour operation. It is not about income generation, as some have said, and as it is causing quite a bit of negative reaction locally I think we ought to change direction."

## Alan is Lyme's new town crier

REGATTA and Carnival secretary Alan Vian is Lyme Regis' new town crier.

Mr Vian, a former headmaster and one of the town's most recognisable characters, was chosen by town councillors to succeed Phil Street who held the historic post for 18 years before moving to France to live.

Mr Vian was offered the post after a cry-off with two other candidates - Andrew Brown and Ruth Katz - at the Guildhall on Monday.

It was a chance glance at a website advertisement that led Ros Fry into a whole new career when she was least expecting it.

As Dorset Area Volunteer Manager for Cancer Research UK, Ros is currently responsible for looking after volunteers throughout the county and encouraging people to fundraise in whatever ways they can to help beat cancer.

With a background in Arts Marketing and Communications, Ros has found that her skills are very relevant to the work she now does for Cancer Research UK.

Ros is 52 and lives in Bridport with husband Chris, sons Matthew and Dominic, and Jack Russell terrier Lettie.

#### ■ HOW did you end up getting the job?

Well, strangely enough I wasn't really looking for a new job. I had never worked in a charity before. I'd worked all my life in the cultural sector, for museums and arts venues. Like a lot of people my friend got cancer and I'd been affected by that, so I was looking for information. The job just scrolled past me on a website and I thought, 'Yeah, I could do that', so I applied.

#### ■ HOW has an arts background been of benefit to you in this job?

Working in the cultural sector was a lot about working with people, working out what motivates them and how to get the best out of them. That is exactly the same with the work I now do. People in the arts world are very passionate about what they do, so they will go the extra mile. They will work hard, not because they get good incomes, but because they are passionate. The same is true of fundraisers at Cancer Research UK. Also, the colleagues I work with are incredibly passionate and motivated people. It's quite a change, a different world, but many of the things are the same.

#### ■ WHAT kind of fundraising events have been going on in Dorset recently?

Well, some fundraisers are in groups that do regular events. There are 30 groups in Dorset that I regularly work with, so they may do the same things at certain times of the year. For instance, the Bridport group have a 'Famous Curry Lunch' every February, or they might do coffee mornings, or Bingo or Beetle drives as regular events. Then there are individual fundraisers who decide to do something as a challenge like cycling from John O'Groats to Lands End. I had a young man re-

cently who got sponsored to shave off his dreadlocks.

#### ■ HOW can people get involved with raising money for Cancer Research UK?

The best thing to do is look at the website [www.cancer-researchuk.org](http://www.cancer-researchuk.org) and you can get a pamphlet that contains lots of ideas. Then I ring you up and help make it happen. Do something that you enjoy doing anyway and raise money from it. It's fine if it's only a small amount. If lots of people donate small amounts it adds up to making a huge difference. If you do just one meal this year where you ask friends to dress up and come to dinner and pay

you money you could raise £100, and if everybody did that then it would be brilliant. Sponsored walks are always very successful, there's one in Bournemouth and Poole every year that raises a lot. Also, the 'Race for Life' events are really popular and you get fit at the same time, there are races in Sherborne and Dorchester coming up this year. Fundraising Gala's and Balls are good too as well as things that don't cost too much to organise but are fun to do.

#### ■ WHAT other interests do you have outside of work?

I play the ukulele, I play real tennis, I enjoy swimming and walking my dog Lettie, and I go to a book group which has been running for some time. It's with a group of friends and we meet once a month. I like to read a lot.

#### ■ WHAT three good reads would you recommend this year?

For Christmas I asked for three great books. One is called 'Vertigo' by Winfried Sebald; it's a kind of philosophical travelogue. Then there's 'The Emperor of all Maladies' by Siddhartha Mukherjee which is basically a biography of cancer. My other choice is a book by Simon Garfield called 'What's My Type?', which is all about fonts and typefaces. A lot of my work in the past has been about marketing and communications and the big challenge for Cancer Research UK is how do you communicate science and that's why I asked for that book.

## Oh yez! Lyme has new town crier

ALAN Vian has been named new town crier for Lyme Regis.

It was announced that Mr Vian would take on the role by the Mayor, Councillor Sally Holman, on Monday evening after interviews and a cry-off in front of councillors and interested members of the public.

Mr Vian - well-known around the town as secretary of the Regatta and Carnival Committee, organising many of Lyme's favourite summertime events - competed against two other candidates.

Candidates included Ruth Katz, a former teacher who moved to Lyme in 1995 and expressed a great interest in the town's history during her interview, especially in Mary Anning.

The third candidate was

By Francesca Evans

Andrew Brown, who currently lives in Rousdon and is hoping to shortly move into Lyme or Uplyme. He said that former town crier Phil Street had left "quite a mark on his life".

But it was Mr Vian who impressed councillors most with his extensive knowledge on the history of Lyme Regis and the role of town crier, and his experience in organising events and taking part in civic activities.

When asked what attracted him to the voluntary post, Mr Vian said: "I passionately love Lyme Regis - all the pomp and ceremony of all the events. A particularly special thing is that we have a mayor who takes

part in so many events around the town."

Speaking on the history of the town, he added: "It's an amazing place and there are so many important people in Lyme's history... All of these people who have had an impact - that's Lyme's history, and it is a living history."

Mr Vian - who lives in Colway Lane with wife Lynne, having moved to the town eight years ago - said he believed the town crier played a very important role in the town and "added dignity" to events.

He said that he would do anything he could to help and promote local organisations if he were appointed and being town

Following his interview, Mr Vian went on to

■ LADY TOWN CRIER: If selected Ruth Katz would have been Lyme's first female town crier

he could carry his voice well in front of an audience.

The traditional role of town crier was opened up when Mr Street retired after 18 years in September last year, and moved to South France to take up a promotion with Augusta Westland Helicopters.

■ INSPIRED: Andrew Brown said former town crier Phil Street had left a mark on his life

A new uniform will now be made for Mr Vian, in time for him to officially take on the role before Easter, when the town's main events begin.

Town clerk Mike Lewis said: "We were really pleased to have three candidates competing for the role. It was good to have

a choice and overall was very good. Obviously, councillors were very pleased that Alan accepted the position."

Following his appointment, the Mayor said they had had "three very good candidates" and thanked them all for the effort they had put into applying for the role.

Lyme traders to appear on ITV series

■ LYME Regis food retailers, the Town Mill Cheesemonger and the Old Watch House fishmonger, will appear on ITV series "The Hungry Sailors" on Monday, January 23rd. Cheesemonger Justin Tunstall and fishmonger Simon Bennett were both interviewed in their shops when Dick Strawbridge and son James visited Lyme and West Bay last year. The two Lyme traders were then invited on board the Strawbridge's boat "Amelie Rose", where they were cooked a special meal including their own produce. They will feature in the sixth episode of the series on ITV on Monday at 4pm. Mr Tunstall (pictured above with the presenters) said: "I'm very much looking forward to seeing the programme - it was shot early last summer and we had great fun with Dick and James discussing and tasting cheese, then seeing how they got on with cooking in a minute galley."

## District u-turn on jet skis

### ◆ FROM PAGE ONE

"We were really only having a look at the issue because many of the harbour users thought that our current policy to ban jet skis was odd or unfair."

Mr Thornley added that a meeting was being held internally yesterday (Tuesday) to reconsider the decision to hold a trial period with limited permit holders.

In his letter to the district council's chief executive, Mr Letwin said he thought it would be better to hold

the trial at a different location "where this is more background noise and which depends less on the tranquility of its setting for its charm and attraction to tourists than Lyme Regis".

And he added: "Weymouth and Portland springs to mind as one possibility." West Dorset District Council Leader Robert Gould said: "Many local people have contacted the district council with concerns about the proposal to allow jet skis to use Bridport and Lyme Regis harbours for a trial period during 2012.

"The trial would have allowed the pros and cons of use by jet skis to be looked at in more depth, before considering a longer term

position. However, having listened to the local community we have decided not to proceed with the trial."

## New lifeboat to arrive in March

■ THE new Atlantic 85 class lifeboat is built above and, right, lifeboat volunteer John Dover is shown around the vessel

LYME Regis should receive its new £180,000 RNLI lifeboat at the beginning of March, members of the volunteer crew have been told.

And for the first time the crew have seen pictures of the new boat as it nears completion at the RNLI's boat-building centre on the Isle of Wight.

The new boat is one metre longer, can take an extra crew member, is faster than the current vessel and is fitted with the latest equipment, including radar, GPS and a video camera.

Officials from Lyme Regis visited the Inshore Lifeboat Centre at East Cowes last week as the new boat – an Atlantic 85 class – was nearing the end of its 13 week construction.

The boat, which will be officially named later this year, is currently known by her number B857.

The new vessel will replace the "Pearl of Dorset", an Atlantic 75, which has been serving Lyme Regis since 1967.

Manager of Atlantic boat building, Glynn Ferguson,

said:

"These boats are bespoke pieces of kit. The crew will love the new vessel for a number of reasons, such as the much smoother ride because of the increased V-shape of the bottom and, of course, the radar which makes the search and rescue capability so efficient."

The new boat is powered by two 115hp engines and will be capable of 35 knots.

Lyme Regis crew members will be going on a familiarisation course at the RNLI's Poole headquarters before sailing the new boat to the resort to begin service on March 3rd.

# Double yellow lines debate causes friction in council chamber

COUNCILLORS were split over a suggestion to paint double yellow lines on a section of Uplyme Road outside the Woodroffe School in Lyme Regis.

The suggestion came from PC Richard Winward and officers of the Dorset County Council Highways Department, who both watched traffic congestion problems outside the school during a weekday at 3.30pm, which they said was caused by vehicles parking immediately left of the school drive where there are no yellow lines.

Councillor Michaela Ellis argued that she didn't think the yellow lines would have much effect on the problem.

She said: "So put in yellow lines and people will park there anyway and nobody will enforce it. It already happens at St Michael's. There are yellow lines there and people park all over the place."

Councillor Terry O'Grady said that the police could enforce it if people were parking dangerously or causing an obstruction. He added: "We have to be seen to be doing something."

Councillor Ellis added: "We will still have a problem because cars won't be able to stop so parents will drive up and down, up and down, looking for their child. I think it will cause more problems."

Councillor O'Grady: "To be honest, no matter what we do no one is going to take a blind bit of notice until somebody gets run over."

Councillor Chris Clipson, who spoke

## LYME REGIS TOWN COUNCIL NEWS By Francesca Evans

in support of the police suggestion, said: "I never was that to happen but if it did, we should be seen to have done everything we could to prevent it."

Councillor Ellis said that putting in double yellow lines would just shift parking problems to another area of the town. She added: "I know it's our town and we should support our police but I do not feel like this is going to do anything."

Councillor Rikey Austin argued: "So what's the alternative - do nothing? No. We put in the lines and we get PC Winward to stand there, enforce it and move people on."

Councillor Ellis: "And in six months we will be having the same problem."

Councillor Austin: "We can't just do nothing because it might move the problem elsewhere. We have to protect the children."

Councillor Austin also suggested that the council work with the school and police to educate parents about the parking issues.

Councillor Ellis suggested talking to Dorset County Council as they might say "no chance".

It was decided to speak to county council highways officers to get their opinion and to work with the police and school to find other solutions to the problem.

# Cyclist calls for bike racks to be installed around Lyme

TOWN councillors are taking forward a suggestion to install bicycle racks at three locations around Lyme Regis.

The suggestion came from Colway Lane resident and cyclist Liz Davis, who proposed racks be installed near the Harbourmaster's Office at the Cobb, the Pound Street entrance to Langmoor Gardens and on Gun Cliff Walk below the Rock Point Inn.

Mrs Davis said this would help to reduce traffic congestion, particularly in the summer, would boost the local economy as shops and businesses would be more accessible, reduce fuel emissions, improve the health and fitness of local people and free-up spaces in car parks.

Councillor Chris Clipson said he was "very impressed" with Mrs Davis' proposal but pointed out that Gun Cliff Walk and all areas of the harbour were owned by West Dorset District Council.

"We could, however, make strong recommendations to the district council," he added.

"I can't see any problems with a rack at the Gun Cliff Walk location. At the Cobb I think the harbourmaster might say 'no, go away' but maybe in

the car park reserved for boat owners. I have never seen that full up."

Councillor Lorna Jenkin said she thought cyclists would prefer it if the racks were somewhere in view from the beach. She also thought that holidaymakers may be willing to pay for their bikes to be locked in a safe compound, and suggested the council talk to the Dorset Cycle Network for advice.

It was also suggested that there was not enough space for a rack at the entrance to Langmoor Gardens but that one could be placed near the library instead.

Councillor Jenkin added: "If we put in safe places for bikes we would find ourselves on the cyclists' map and they don't bring anything but their bike with them. They buy everything in the town - it's very good."

Councillor Rikey Austin suggested that some funding may be available for the racks, as a way of encouraging sport for the 2012 Olympics.

"Something as simple as this could be our Olympic legacy," she added.

It was decided to take the idea forward and speak to the Dorset Cycle Network.

# Hundreds fill streets for Lyme's

THE streets of Lyme Regis were packed for the first traditional mummers play seen in the town since the 1930s.

The seasonal folk play, named "Mummers the Word!", was written by local resident Harry Ford, and included folk songs, grotesque masks, flaming torches and even a real-life horse.

The traditional entertainment started on Saturday afternoon with Lyme Regis Museum's annual wassailing celebrations, led by Uplyme Morris Men.

Closed-off Church Street was filled with spectators, who joined in the wassailing song and toasted to a good crop of apples for the coming year with mulled cider.

The mummers play then started, with characters appearing from the Guildhall. After an opening song and another dance from the morris men, the crowd followed the moving production around the town - first visiting Theatre Square, where the story's hero Sir George arrived on a horse to romance the

princess, who leaned out from the Guildhall window.

The production then moved on to George's Square, where Sir George slayed the evil Woodwors, and then on to St Michael's Church to save Lyme from ruin.

The audience got into the spirit, cheering and jeering at the masked characters, and enjoyed apple cake and mulled ale at the end of the performance.

■ **The cast was as follows:**

Bet Rantipole - Dennis

Spacey; Sir George - Danny Anholt; Sabra - played by Georgia Robson; the Woodwors - Justin Tunstall; the Woodwors's breakfast - Leon Howe; Sir Apricock-Scott Robson; Archangel Michael - Harry Ford; Latterlammas - Glenn Ford, the drummer - Angela Taylor.

■ **FAIRYTALE ROMANCE:** The princess, played by Georgia Robson, leans from the Guildhall window to greet Sir George

■ **TRADITIONAL HERO:** Sir George arrived on horseback and, above, the Uplyme Morris men sing the wassailing song

## ArtsFest organisers looking ahead to 10th anniversary

LYME Regis ArtsFest is holding its annual general meeting at 7pm on Thursday, January 26th in the Guildhall, and all those who are interested in taking part in next year's festival - the tenth anniversary of the event - are welcome to attend.

The essential business will be the first item on the agenda, followed by plans for this year's festival, which will take place from September 8th to 16th, a little earlier than usual as it will be part of the Cultural Olympiad and the final seasonal event of a busy 2012 for the town.

This is the meeting at which ArtsFest 2012 will take shape, with all visual artists interested in exhibiting, workshop leaders and those offering to run events across the spectrum of the arts, registering their intention to participate.

"Following a very successful 2011 event, we are looking to maximize the impact of the Cultural Olympiad for our arts community this September," said ArtsFest director, Councillor Sally Holman.

"We have a creative team with plenty of ideas, but it's those who are going to pitch in and make it happen once again who we want to sign up.

"Our artists bring a range of expertise and talents, giving demonstrations and helping others gain skills by sharing experiences and opportunities, and there is always room for development and newcomers. The exhibitions of artists' work, art trail where artwork is displayed in shops and businesses giving a vibrant look to the streets, and opportunities to meet and learn from professional artists and craftspeople are always popular with local residents and visitors.

"Already we have B Sharp with their busking event, photographer Maisie Hill with a portraits workshop, poetry writing and performance, dance and evenings with music in the programme. Do you have anything you'd like to offer? We'd love to meet you."

The success of the B Sharp youth music project means that they are contributing to the Cultural Olympiad in Weymouth and at Poole, but there are no funds available to bring the huge choral performance to Lyme.

ArtsFest has to be self-sufficient, so each year has seen it develop with the emphasis on bringing visual and performance arts together in a festival which offers something for all ages.

If unable to attend the January 26th meeting, contact Sally Holman at [sally.cobblyme@btinternet](mailto:sally.cobblyme@btinternet) or Karol Kulik at [karol@karolkulik.com](mailto:karol@karolkulik.com)

# A traditional roast... and everyone's invited!

LYME Regis residents are being asked to apply for tickets for a huge Sunday roast lunch, as part of the Queen's Diamond Jubilee celebrations.

The BIG Jubilee Sunday Lunch, a national initiative to help celebrate the Queen's 60 years on the throne, will be held on June 3rd at the Woodmead Halls, with two sittings at 12noon and 1.30pm.

The traditional lunch will include roast beef with Yorkshire puddings and all the trimmings, or a vegetarian option, followed by apple pie and cream. There will be a free glass of sherry for the ladies, half a pint of beer for the men and squash for children.

After the lunch, the Jubilee Pageant on the River Thames will be shown on two big-screen televisions at the halls.

Tickets - costing £8.50 for adults and £6 for children - will be sold on a first-come, first-serve basis. Those who wish to attend should apply in

writing, marking envelopes with The BIG Jubilee Sunday Lunch and sending them to the View From offices at Unit 3 St Michael's Business Centre, Church Street, Lyme Regis, Dorset DT7 3DB. Payment must accompany the application with cheques made payable to The Woodmead Halls.

Other celebrations, starting on Friday, June 1st and continuing over the extended Bank Holiday weekend of June 2nd to 5th, are now being finalised by the organising committee.

#### Chelsea Pensioners

Events will start with a Commonwealth Day at St Michael's Primary School on the Friday, and official weekend celebrations will kick off with a civic parade and march past on Saturday morning. It is hoped two Chelsea Pensioners, both former members of the Devon and Dorset Regiments, will be taking part in the procession and other events over the weekend.

Other events on Satur-

day will include a royal proclamation from the Marine Parade, planting of memorial trees, a street party in Coombe Street and a patriotic concert party at the Woodmead Halls called "There Will Always Be An England".

On Sunday, there will be a service of thanksgiving in St Michael's Parish Church followed by the BIG Sunday Lunch and screening of the Jubilee Pageant. In the evening the Marine Theatre will be hosting a music show, details for which will be confirmed soon.

A 1950s theme tea with swing band will be held on the Marine Parade on Monday, while a variety of boats from local organisations including the gig club, powerboat club and sailing club, take part in a "Jubilee at Sea" event in the bay.

In the evening, a huge

torchlight procession will be held, with torches coming from both Anning Road and Broad Street meeting on Marine Parade for the lighting of the Jubilee Beacon - another of the national celebrations.

#### Jubilee Games

Tuesday will be dedicated to the town's young people, with a children's fancy dress party, a children's street party in Anning Road where there will be a presentation of Jubilee mugs and children's passport to many local amenities, and the "Jubilee Games" on the beach.

The weekend will be topped off with an open-air dance on Marine Parade on Tuesday evening.

Other events will include a number of exhibitions, including an art exhibition titled "The

Queen's Jubilee: 60 Artists Celebrate 60 Years". This will be organised by Lyme Regis ArtsFest and the Town Mill Arts Guild, and will run from May 26th until June 13th in the mill's courtyard and upstairs gallery.

Organiser Karol Kulik said: "The show's royal theme offers artists an exciting opportunity to create an original piece

of work and exhibit it at a prime venue at a prime time. While portraits of the Queen are certainly acceptable, organisers hope that artists will think laterally, creating something unique that sums up their feelings about the Queen herself, the Royal family or life in the UK over the past 60 years."

All local artists are being encouraged to take part in this once-in-a-lifetime art show. Fur-

ther details and entry forms, due back by Monday, January 23rd, are available from the Hilary Highet shop at 7 Broad Street, Lyme Regis, or by emailing hilaryhighet@mac.com

Voting forms are now out to re-name the Marine Parade shelters central pavilion and organisers of the Jubilee celebrations, led by the Mayor, Councillor Sally Holman and View From editor Philip Evans, are

hoping that residents will choose the new name of the Queen Elizabeth II Pavilion or the Jubilee Pavilion as a lasting legacy of this special event.

Forms are available from the View From offices, and are also on the Lyme Regis Town Council's website - [www.lymeregistown-council.gov.uk](http://www.lymeregistown-council.gov.uk) - and will soon be printed in the council's newsletter.

# The future is faster...

Francesca Evans explores the need for superfast broadband across Dorset

## HIGH-SPEED OLYMPIC LEGACY

**THE 2012 Olympic Games will bring superfast broadband to Weymouth and Portland, giving thousands access to high-speed internet connections during the international sailing events.**

Having originally only earmarked Portland for the Olympic upgrade, BT announced in September that Weymouth was one of 114 communities chosen in the latest phase of its £2.5 billion fibre-optic, superfast broadband roll-out – promising to deliver it in time for the Games.

Almost 20,000 homes and businesses in Weymouth are now expected to benefit from the 40 mega bit per second download speeds, and a further 5,400 on Portland, as well as over 500 athletes and officials during the sailing.

The cable for this superfast broadband in Portland will remain in place after the Olympics. However, the connection will only be kept if businesses prove there is a need.

The Dorset Digital Taskforce, set up by Dorset Chamber of Commerce to lobby and negotiate with internet service providers to improve broadband speeds across the county, has been working on a campaign to keep

the connection in Portland after the Olympics.

However, chairman Dr Monica Seeley, is concerned that businesses are not showing enough interest because they don't know what a difference superfast broadband will make.

She said: "To keep the connection working, Dorset will have to put up a good case. If we don't have a plan, the cable will just lay there unused."

"It will not happen without local businesses driving up the demand and, at the moment, that is not happening. I think this is because businesses can't see what superfast broadband can do for them. What we need to do is start helping our users understand what they could do if they had superfast broadband."

Dorset Digital Taskforce  
chairman Dr Monica Seeley

**DORCHESTER has also been lucky enough to be named as one of BT's 114 towns to get superfast broadband by the end of 2012.**

Phil Gordon, project director of Dorchester Business Improvement District, has welcomed the news but emphasised how important fast broadband is for businesses across the whole of the county.

He said: "High speed broadband is essential to nearly all businesses these days, and it is a key consideration of people considering moving to the area – ask any estate agent. If we want to attract more new businesses, and therefore more jobs, to Dorchester then we have to have a good business infrastructure and support networks as well as the other more natural attractions of living in one of the most beautiful

## ESSENTIAL TO LOCAL BUSINESS

areas in the UK.

"It was not that many years ago when we somehow managed to use the internet with slow dial-up modems, but the way technology has raced forward many of the most recent innovations, such as low-cost, high-performance video conferencing, simply will not work reliably enough with slow broadband."

"This is putting Dorset businesses at a disadvantage when they are competing with companies in fast broadband areas as clients need regular face to face meetings either in person or via a video conference."

"More and more shops in town are realising the importance of having a web offering with online ordering to supplement their high street presence and this too increases the importance

of having a fast connection."

Lyme Regis town councillor Lucy Campbell, who manages community learning centre LymeNet, has also spoken of the importance of superfast broadband to businesses.

She said that a higher speed would be "really helpful" to LymeNet as both staff and clients solely rely on using the internet.

"Particularly in rural areas it is really impor-

tant, as there are more businesses working from home," she added.

In Bridport, Jon Stow, speaking on behalf of Bridport Chamber of Commerce, added: "I would certainly agree that every business should benefit from at least 2 mega bits per second so this is a good general target to aim for as a minimum speed for downloads."

"Any improvements in the communications structure will ultimately

benefit everyone. In my opinion, a reliable connection is more important than a fast connection."

## WORKING TOWARDS SUPERFAST CONNECTIONS: THE FACTS AND FIGURES

**SO what about the rest of Dorset? Across the county there is a call for an improved internet connection and in rural areas the need is desperate. Research carried out on behalf of Dorset County Council showed that some premises in West and North Dorset were still only able to get a 1990s-style dial-up connection.**

West Dorset proved to be the area worst affected by poor connections, with almost 38 per cent of properties working below the desired speed of at least 2 mega bits per second (Mbps).

The Department of Culture, Media and Sport has now invested £530 million into bringing the whole of the UK up to the speed of at least 2Mbps by 2015, with £9.44 million of this being allocated to Dorset. Although this target is below the national average speed of 4.1Mbps, the government has said it strikes a balance between the desire for ever-faster broadband and the costs implied in providing it.

To receive the grant, Dorset must match-fund the £9.44 million, with West Dorset District Council offering £1.3 million toward this and Weymouth and Portland Borough Council, on top of their Olympic improvements, putting in over £153,000.

In its Local Broadband Plan – submitted to Broadband Delivery UK as part of the funding application – Dorset County Council has been particularly ambitious, aiming to deliver speeds of 30Mbps across the county by 2020.

The Dorset Digital Taskforce is currently working with the county council to win its share of the funding and achieve its target. Dr Seeley has pointed out, however, that if it does receive the grant, the council will then have to go to a shortlist of internet providers and convince them why they should come to Dorset. To help fight Dorset's case, local communities are now being asked to express interest and prove there is a need for improved broadband speeds across the county.

In Lyme Regis, the town council has created a survey and is asking all local businesses and individuals who

Other towns are expected to set up similar registration schemes soon.

**ALTHOUGH** Dorset County Council's main aim is to provide speeds of 30Mbps by 2020, it has recognised that delivering this superfast connection to some more rural areas will be "very difficult" to achieve in the short term.

In these communities, the national target of 2Mbps will be followed, with hopes of improving the speed further in the future. This is expected to affect up to five per cent of properties in Dorset.

These rural communities are known as the Final Third – the last 30 per cent of the UK where market failure is predicted for superfast broadband.

The map above shows the areas in Dorset which receive less than 2Mbps (marked in red), against the areas which receive 2Mbps or more – most of the main towns (marked in green). Areas that receive less than 2Mbps are known as "slow-spots". Although slow, most places across Dorset do have some kind of connection – but there still are a few areas that cannot receive any kind of broadband at all.

These areas are described as "not-spots" and can be found online at

## SUPPORTING THE FINAL THIRD

[www.broadband-notspot.org.uk](http://www.broadband-notspot.org.uk). The website is using information submitted by users to lobby the government and internet companies to provide a universally

available broadband service across the UK. If you're living in a broadband not-spot, report it to [www.broadband-notspot.org.uk](http://www.broadband-notspot.org.uk) even if your

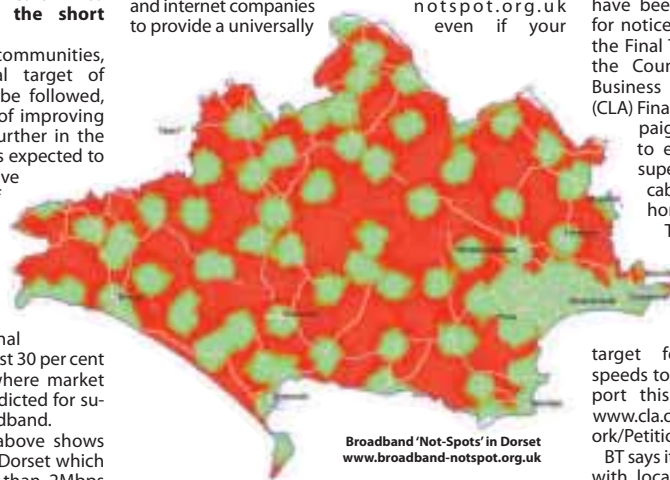

neighbours have already done so to help raise awareness of the need in your area.

Many organisations have been campaigning for notice to be given to the Final Third, including the Country Land and Business Association's (CLA) Final Third First campaign, which aims to ensure that the superfast fibre-optic cable goes to every home in the UK.

The CLA have also been campaigning to raise the government's national target for broadband speeds to 5Mbps. To support this petition, visit [www.cla.org.uk/Policy\\_Work/Petitions/](http://www.cla.org.uk/Policy_Work/Petitions/)

BT says it is now working with local authorities to reach the Final Third at last – to extend the reach of superfast broadband beyond its £2.5 billion commercial scheme that Weymouth and Dorchester has been listed on.

**■ To support the campaign for faster broadband in your area, contact your town or parish council, or West Dorset District Council, to find out how you can help.**

## WHY CAN'T I CONNECT?

- Your local BT exchange is not enabled yet
- The line length is too long, meaning you're far away from your nearest BT exchange. Users further than 6km from an exchange may struggle to stay connected
- The line quality could be affected by water, corrosion, etc.
- Poor internal wiring in your telephone lines. This can be improved with a BT I-Plate, also known as a broadband accelerator – available at [www.shop.bt.com](http://www.shop.bt.com)

# Fun awards at lifeboat dinner

JOINT master of ceremonies, John Cable, put his finger on it when he said it wasn't quite like the BAFTAs, there certainly weren't any Oscars and you could forget the Brits.

The awards at the annual belated Christmas party for members of Lyme Regis lifeboat crew, their families and friends, were tongue-in-cheek and definitely in a class of their own.

Crew member Dave Bisson won the Dangerous Dog Award, although his bulldog, Ruby, fortunately stayed at home. Dave

Street won the Bent Propeller Trophy, a tribute to his seamanship, and Phil Ball was awarded a whole box of pasties to recognise his appetite during training sessions at the lifeboat station.

Young crew member Ritchie Durrant, 19, who was nominated but not chosen to carry the Olympic torch, was presented with an alternative torch.

There were also awards for John and Jan Dover, press officer Richard Horobin and landlords of the Cobb Arms, John and Linda McClements.

More than 100 attended the event at Lyme Regis Golf Club on Friday evening.

Rob Crabbe, who shared the master of ceremonies role, said it had been a reasonably quiet year with just 36 shouts for the crew – the same number as 2010.

■ LYME Regis lifeboat crew were back in action on Monday, responding to their first shout of the year.

Fishing boat "Little Shrub", with one man aboard, was crippled when a mooring rope became

tangled with its propeller in choppy seas just outside the harbour. Lifeboat crewmen James Rice and Martin Croad spent some 20 minutes in the water trying to free the propeller.

The rope was finally untangled, and helmsman James Rice said: "There is no doubt that the fishing boat was in danger of sinking if the mooring rope had not been released."

The lifeboat was launched at 3pm and had towed the fishing boat to the safety of the harbour by 3.45pm.

■ BACK TO WORK: The crew helped fishing boat "Little Shrub" on their first shout of 2012

■ FUN AWARDS: Above, Ritchie Durrant receives an alternative Olympic torch from Brian Street. Right, Phil Ball receives a box of pasties and top right, Dave Bisson with the Dangerous Dog Award

## Jet ski trial: unanimous opposition rather than 'overwhelming support'

■ WEST Dorset District councillors should be in no doubt where public opinion lies on the question of the jet ski trial.

There has been loud and unanimous opposition since the plan was announced. This was reinforced at the meeting of Bridport Town Council Plans Committee last week. The room was full of members of the public, many of whom spoke against the trial and the councillors themselves were scathing about both the proposal itself and the total lack of consultation with town councils and members of the public.

Despite the weight of public opinion against the decision WDDC persist in making misleading claims that due consultative processes have been followed and dubious arguments in support of their case.

Look at what has been said. Mr Gould, WDDC leader, claims "overwhelming support" from harbour user groups in West Bay and Lyme. You are easily overwhelmed sir!

Consider this. There are 160 private moorings in Lyme harbour. The opinions of this, probably the largest interest group, were not heard at the meeting because the representative did not attend it. By the way, the representative is appointed by council staff and is neither elected by the mooring holders or known to most of them. Democracy in action?

Mr Gould has repeatedly said "we do not want to cause concern". By now it must be blindingly obvious that he has failed to achieve that objective. If he means what he says, there is a very straightforward solution.

The WDDC harbour and tourism manager demon-

strates either his lack of local knowledge, or something worse, when he states that "it is important to note that they (jet skis) can be launched from virtually anywhere along the coast, and they often do".

Interestingly, the leader of the council has started to make exactly the same point in one of his "standard letter" responses. Jet skiers may be muscular but even they would have trouble getting their machines across our shingle beaches. I have been a very regular boater along our coast for several years and have never seen a jet ski launched from the beach. Perhaps you are confusing us with Weymouth.

I could go on. The replies that I have received and comments that I have seen from WDDC on the issue range from patronising to misleading and undermine the credibility of the whole council. Our district council has come up with this "good idea" and, despite the fact that they state that there is no great demand from jet ski users and no pressure to bring in the policy change, they are forcing it on us. Residents, town councils, parish councils have not been consulted and rather than "overwhelming support" there is almost unanimous opposition.

There is nothing democratic about this process and it is little wonder that people are beginning to look under stones to find the true motivation behind this bizarre, authoritarian exercise.

Chris Hinton,  
Charmouth

## What's next? Banana boats?

■ I WAS born in Lyme and consider myself a local, even though I have travelled far and returned often.

I am sure that all the decision makers in the discussion about whether or not to allow jet skis will have asked of themselves and others the following questions. However, just so that I know they have been asked and answered properly, please consider the following:

There must be an economic advantage to this plan otherwise it is a small minority group gaining access over a beautiful and historically/geologically famous port that attracts thousands of visitors annually (without jet skis), for no apparent benefit to said visitors nor the townspeople.

For it to have any benefit economically to the town you would have to attract a large crowd of regular jet skiers, plus their entourage who then stayed in Lyme, and spent money in Lyme. How can that be guaranteed?

If a large crowd is attracted to Lyme, what would that impact be on the environment, the noise levels and pollution to the water from jet ski fuel. Plus, of course, on the fish. What would be the impact on the other visitors,

who come for the natural beauty and Victorian quality of the seafront?

If the reason for allowing jet skis is not to benefit the town economically, i.e. only a few jet skis would be allowed to be active at any one time, what would be the reason to allow it at all?

How many people will be attracted to Lyme because of allowing jet skis and how many will be driven away? I personally would not want to go to a resort where jet skis were allowed and most of my friends and family members feel the same.

After jet skis what comes next... Banana boats?

Jet skis are dangerous if the drivers are inexperienced and sometimes those drivers can simply be reckless, a danger to themselves and others. The machines are built for high speed and for wave hopping. How will the decision makers feel if there is an accident and there are injuries?

Sharon Curry  
(by email)

## Support the campaign *Don't spoil Lyme with jet skis* against jet skis in Lyme

■ WOULD Councillors Daryl Turner (in Lyme Regis) and Nick Thornley (WDDC) please reconsider their plans to allow jet skis in Lyme Regis?

The correspondence has been running in this paper and the Lyme Regis News for a number of weeks now with not a single person writing in favour of it.

Jet skis would ruin the family nature of Lyme. Not only would these self-indulgent yobs create noise and endanger swimmers, body-boarders and those using in-

flatables, they would also drive the mackerel - on which so much of Lyme's tourism depends - further out and damage the business of those who have lived in Lyme all their lives and for whom mackerel fishing trips form a significant part of their livelihoods.

If readers would like to write to support the campaign to keep jet skis away from Lyme, they can email to n.thornley@westdorset-dc.gov.uk

Jill Newton,  
Sidmouth Road, Lyme Regis

■ THE proposed allowance of jet skis around Lyme Regis is frankly abhorrent. The fact that they are banned from so many seaside towns is for a reason.

Lyme has been transformed since the grubby 80s into the most attractive seaside town on the south coast. Please don't spoil it.

As a boat owner and user of Lyme harbour since the early 70s I have to say that if jet skis are introduced, I will move my boat permanently away from West Dorset as it will no longer be a pleasure.

## Town council 'intent on getting its own way with little open debate'

■ I AGREE 100 per cent with Philip Evans' comments in last week's Lyme Matters (*View From Lyme Regis*, January 11th), in which he said he had refused to print a written statement from the town council in response to important questions raised in the chamber, relating to expenditure by the local authority, on the grounds that members did not take the opportunity to respond at the time.

All credit to him, for it appears to me, as an interested observer, that the current council is intent on getting its own way with as little open debate as possible. This may be expedient but it is certainly not, in my opinion, sound democratic practice.

The situation is compounded, too, by the fact that a dominant lead-

ership on the council is all powerful and, backed by obedient lieutenants, gets its way in practically all matters.

I have been told that this "domineering sect" hold pre-council meetings to formulate their views and tactics in order to present a united front. It is appreciated that this sort of thing goes on in all areas of local and national government, but I do not believe it encourages free thinking, particularly at town council level.

It smacks of stage management and puppetry. That is no good to Lyme.

John Hounsell,  
Lyme Regis

## Many deserving of pavilion's new name

■ RE: the re-naming of the Marine Parade shelters central pavilion (*View From Lyme Regis*, January 11th) - it is one of the true joys of being from Lyme that any among us can effortlessly suggest a long list of the great, the brave and the worthy who are all deserving of the honour of christening the new seaface of this glorious town in their name.

Somers, Coram, Lister, Austen, Anning - all have earned the honour by their deeds. So too have many more contemporary figures, each respected for what they have done for this treasured town - Barbara Austin, John Fowles and all of the lifeboat crews among them.

Just now, our brave four lads who have defied the Atlantic, The Corinthians, are also deserving for their courage; most greatly deserving. But I hope they will forgive me in making this note - The Corinthians are our heroes of now and the pavilion stands to represent the greatness of an era.

For her selfless, dedicated and peerless work throughout the entirety of this era no one is more deserving of the honour than the woman whom the Jubilee celebrations mark, HM The Queen.

In the 60 years of her reign, nobody has better represented the indomitable spirit, integrity and decency of this people than our Queen. She is an icon to the world for the very best of British and, from her manual work in uniform during the war to her dignified and moving handling of her own family problems in recent times, she has touched, moved and inspired more hearts than any other figure.

Whether the Pavilion is named the Jubilee Pavilion or the Queen Elizabeth II Pavilion or any variation on this theme, I believe that the overwhelming majority of the town would applaud the pavilion's appropriate naming in gratitude for the example of her outstanding distinction.

We are Lyme, a proud, renowned and special place, but we are also privileged to be among the very few towns in the land who can call itself a Regis, meaning royal. In this remarkable year, it would be fitting to celebrate a common nobility which this most precious Pearl has held well and above all other places since 1284.

Geoff Baker,  
Sidmouth Road, Lyme Regis

## Cars receive fixed penalties for oversized and loud exhausts

By Francesca Evans

LYME Regis Police now have new equipment to measure vehicle noise and have already put it to use, giving three fixed penalties for cars over the maximum limit.

PC Richard Winward said the police receive numerous complaints about cars with oversized exhausts making excessive noise.

At the weekend, they tested four vehicles for this - three of which were issued fixed penalty notices. The drivers have now been asked to fix standard exhausts and, if they are caught again making excessive noise, they will be summoned to court.

PC Winward said that he would welcome information from residents of Lyme Regis, Charmouth and the surrounding villages and communities of any vehicle that they suspect to be excessively noisy.

He added: "Usually, these cars stand out as the exhaust tail pipe is much bigger than a standard exhaust. Police will also check with the driver's insurance company to make sure they have been informed that a non-standard exhaust has been

fitted. It may be that they invalidate the policy, and if there is no insurance, then we will seize the car."

On Saturday, two drivers were also issued with Section 59 Police Reform Act written warnings, following a complaint from a Charmouth resident about their bad driving in the village.

Both vehicles involved also had excessively noisy exhaust systems, which are now in the process of being changed before being allowed on the road.

A Section 59 warning lasts a year, and if any further complaint is received within the year the vehicle can be seized by police.

■ POLICE are calling for information about an incident, in which an object was thrown at and smashed a window in Lyme Regis.

The incident took place at about 1.45am on January 11th, when a bedroom window in Kingway was smashed.

## News from Uplyme Parish Council

■ UPLYME Parish Council has objected to plans to demolish the village's former Post Office and build two-storey residential units on its site.

The former Post Office and store, on Lyme Road, closed last year with the shop moving to Uplyme Filling Station. Four Uplyme residents have also objected to the plans, and East Devon District Council will now consider the planning application.

■ IT WAS agreed at the recent parish council meeting that the memorial chestnut tree in Pound Lane, which is terminally infected with

chestnut bleeding canker disease, should be felled.

The council will consider suitable replacement native trees, after discussion with the Horticultural Society, in time for planting next winter.

■ FOLLOWING Councillor Sellers resignation in December, a vacancy for a co-opted councillor has become available on Uplyme Parish Council.

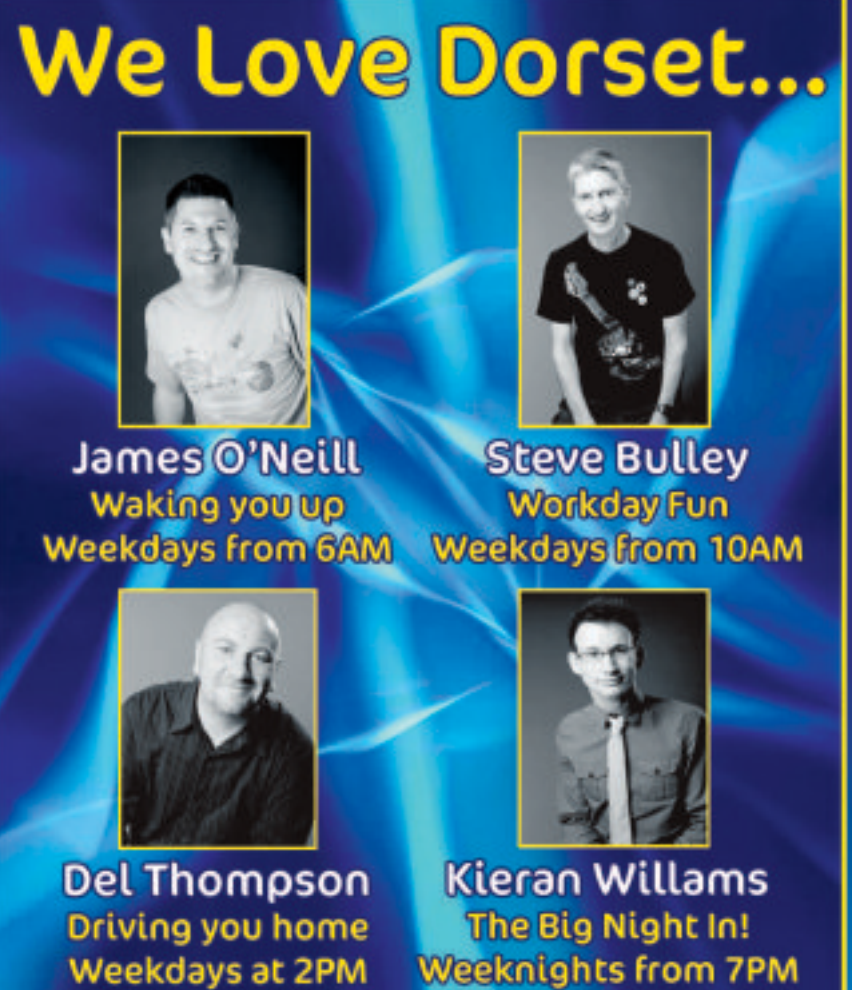

Anyone interested should contact a councillor or the clerk Lois Wakeman on 01297 444707 for more information, and can attend a meeting to see some of what's involved.

## Help and Care when you need it

### Clarondene

WE are thoroughly enjoying the sunshine and mild weather of this winter. It is so seasonally unusual, I fear we may be 'punished' later! Our bulbs are pushing through, I saw a bee in the flowers last Friday and the grass is growing green and lush, but too wet to cut. Our beautifully pruned bushes look so neat and tidy (thanks to the kindness of a well-wisher who wishes to be un-named!) and our cyclamen and primroses look pretty and confident in the

absence - so far - of January frosts.

Sadly, we lost both Eileen and Sonia over the Christmas and New Year, who between them had been here nearly 8 years, confounding their predicted life-expectations on admission. They both passed away comfortably, surrounded by support and Christmas decorations. We are happy they are at rest, but missing them, especially Eileen's slow and considered replies. "What did your hus-

band do?" asked Mandy when filling in a life history. Pause. "What I told him to" came the quiet reply.

Mandy is now Assistant Manager and it is wonderful for me to have her family resident here at Clarondene. Having the patter and chatter of her small boys is a great stimulus to all of us and we love them running in to tell us they are off to school or to show us their achievements. They are fascinated by Lucy's Craft Activities and are amazed at what 'us oldies'

can produce. We are particularly proud of the fired clay Fossil Tiles we created with the help of Chris from Lyme Regis Museum and Alison of Woodroffe School. We thank them again, and Lucy, who never ceases to come up with new ideas.

What with things to do, flowers in the garden, sun in the sky, cats' antics to watch, children and plenty going on - all we lack are two lovely people to join us and bring our numbers back to 11!

### The Homestead

#### Local care home achieves gold

**THE** Homestead - a privately owned 13 bed Residential Home on West Bay Road, is very proud to announce that we have achieved The Gold Standard Framework (GSF) Accreditation for end of life care at 'Commend' status - a very high pass! Only four other Nursing and Residential Homes in Dorset have achieved the accreditation.

The GSF Care Homes Accreditation process 'Going for Gold', supported by Age UK and endorsed by all four major care homes organisations (NCA, NCF, ECCA and RNHA) ensures objective and independent quality assurance for those homes that have undertaken the GSF Care Homes Training programme and can demonstrate full integration of the work into their home. It encourages a consistency of standards, locally adapted to ensure

that care homes are more likely to "keep the gold gold".

This has been an exciting two year process of workshops, conferences, and courses culminating in the production and submission of a portfolio for assessment. Every member of staff were involved along with Residents and many past and present Relatives contributing and supporting the home from the outset. This has enabled us to embed the GSF process as part of the normal routine. The accreditation equips homes to provide exceptional levels of care for the elderly, with the mantra "living well until you die".

We are entirely grateful to the high level of input and support from GPs, the Community Matron, Community Nurses, Bridport and Dorchester Hospital, the Community Rehabilitation

Team and local Clergy including Phillip Ringer, Bridport Community Hospital Chaplain. Our success is attributed, firstly to our GSF facilitator Chris Elgar, whom has helped, encouraged and guided through the process with great enthusiasm and professionalism; to our excellent and passionate team. Many of who have been employed at The Homestead for many years, they all have an NVQ 2, 3 or 4 in care and have enormous commitment to

continue to deliver a very high standard of care. Lastly to Chris Butler, Computer Operations Manager, with his technical assistance throughout the process

Sue Butler (proprietor and manager), and her team are now embarking on aiding Bridport Community Hospital Staff and other local Care Homes starting the accreditation, to implement and achieve the Gold Standard in end of life care.

**B**LUEBIRD Care Weymouth and West Dorset are a care at home provider committed to making a difference within the local community. Since opening its doors in November 2011, the Weymouth and West Dorset office has worked hard to support local events and organisations making a positive difference to the lives of older or vulnerable people.

Over the Christmas period, whether it was distributing boxes of chocolates as Christmas gifts or raising money with a "name the bear" competition, the management staff of Bluebird Care could be seen putting their hearts into the occasion.

And the New Year started in a similar fashion with Bluebird Care being proud sponsors of the Weldmar Hospicecare Trust "Seasonal Circuit" walk which took place on Sunday 8th Jan along Weymouth sea front. Enthused by the occasion, Director, Chris Scriven, who had initially attended as an event sponsor, signed up for the men-only walk and completed the 10km in his suit. The total raised for Weldmar Hospicecare Trust through the event looks set to top £4,000. Chris said: "It was a fantastic day and a really well-organised event with a strong community feel. I very much hope to act in the capacity of both sponsor and par-

ticipant again next year and would encourage any men who haven't yet been tempted to take part to give it a try next year."

Over the coming year Bluebird Care will be actively seeking more good causes to support and look forward to further raising awareness of the importance of helping vulnerable people maintain not just their independence but all aspects of their well-being.

Director of Bluebird Care Wey-

mouth & West Dorset, Joanne McMahon said: "We see ourselves very much as part of the local community and recognise that the care at home services we offer are part of a wider network of services with like-minded goals. We are happy to support events with similar or related aims to our own as we recognise that more can be achieved through people or organisations working together."

## Fairfield House Changes in 2012...

**THIS** year is set to be another very busy at Fairfield House; we have many plans to continue improvements to the décor and to raise standards in all areas.

In February work will commence on the new landscaped gardens which will include private seating areas, raised flower beds for our keen gardeners and a viewpoint area with unrivalled views of Lyme Regis.

The quiet lounge will be transformed, with new furniture and a large plasma TV great for watching the up and coming Olympics or films. This room can also be booked for private parties.

vate parties.

This year there will also be an emphasis on new clubs and activities for residents, with some residents taking the lead. These will include: Photography and Gardening Club, Music Therapy, Making Jams, Chutneys and Pickles for local Charities and Themed Events. We also have a new minibus which we are looking forward to taking on many outings.

Respite and holiday visits are very popular, therefore this year we are allocating one of our newly refurbished rooms solely for use by respite or holiday stays. We hope this

new change will make it easier for you to plan your stays with us in advance.

Fairfield House also offers Day-care to the local community, visitors can spend the day with us and experience our wide variety of daily activities with home cooked food and hopefully make new friends. We will even collect you from your home and make sure you get back safely.

However long your stay with us, you will always receive highly personalised care in a relaxing environment, surrounded by friendly people.

## Personalised care in the heart of the community

At Fairfield House we offer long term and short term accommodation in a caring, relaxed environment with high quality specialist support based on each person's specific needs. We take great pride in the quality of the service that we provide for all our residents.

The ever changing canvas of Lyme Regis provides residents with spectacular views all year round. We would welcome you to visit and experience life at Fairfield House anytime to take in the stunning surroundings with family and friends and enjoy a selection of home-made cakes.

### BTEC Qualifications COUNT COUNT towards UCAS points for entry to University COUNT as an equivalence to A Levels COUNT for employment

#### What is a BTEC?

BTECs are vocational qualifications designed to accommodate the needs of employers and allow progression to university. They provide a more practical, real-world approach to learning alongside a key theoretical background. Obtaining A Levels is not the only route open to you if you wish to go on to University or obtain a successful career in a huge range of industries and jobs.

#### BTEC qualifications prepare you to start a career....

BTECs allow students to move on to higher education, start their chosen career now, progress further in their career or give them

the skills to start their own business. As BTEC courses involve real work experience and work-based projects, the skills you are learning are the ones employers want which will give you a cut above the rest when applying for jobs.

BTECs are made up of units. If you find exams rather daunting and don't see how they fit into the real world you will be pleased to know BTECs are not exam-based qualifications. Instead you will study through experience, work-based case studies and complete projects and assessments, which contribute to achieving each unit.

#### Want to go on to University?

To go to University you need to calculate your UCAS points,

[www.ucas.com](http://www.ucas.com) is the organisation responsible for managing applications to higher education courses in the UK. Students can use a range of different qualifications to help secure a place on an undergraduate course.

BTEC National Awards, Certificates, Diplomas and the BTEC Foundation Diploma in Art and Design are eligible for UCAS tariff points. The number of UCAS points depends on the overall grade achieved.

Weymouth College has a range of BTEC courses visit [www.weymouth.ac.uk](http://www.weymouth.ac.uk) and offers a comprehensive careers and guidance service, call 01305 761100 now for an appointment.

## Homework: what parents need to know

**SCHOOLS** are encouraged to plan homework carefully alongside work that children do at school, and to ensure that all activities are appropriate for individual children. Here are some guidelines to give you an idea of how much time your child should be spending on homework, and how you can help them.

### Homework guidelines for primary and secondary schools

The emphasis is on how homework helps your child to learn, rather than on whether it takes a certain amount of time.

For example, some children will work quicker than others and get more done in less time. The rough guidelines for primary school

children are:

Years 1 and 2: one hour per week, Years 3 and 4: 1.5 hours per week, Years 5 and 6: 30 minutes per day, The guidelines for secondary school children are:

Years 7 and 8: 45 to 90 minutes per day, Year 9: one to two hours per day, Years 10 and 11: 1.5 to 2.5 hours per day

Your child shouldn't be expected to spend much longer on homework than the guide times. It doesn't matter if activities don't take as long as the guide times as long as they are useful. Schools should organise homework carefully so that children aren't asked to do too much on any one day.

### Homework activities

All homework activities should be related to

work that children are doing at school. However, homework should not always be written work. For younger children it will largely be: reading with parents or carers, informal games to practice mathematical skills. For older children homework activities may include: reading, preparing a presentation to the class, finding out information, making something, trying out a simple scientific experiment, or

cooking.

It doesn't matter if activities don't take as long as the guide times as long as they are useful.

### Helping your child with homework

Schools are happy for you to support and help your child with their homework. However, they will also want to see what your child can do on their own. As they get older, it is particularly important for your child to become more independent in their

learning. Your child is likely to get more out of an activity if you get involved, as long as you don't take over too much. If you're unsure about what your role should be, you should discuss it with your child's school.

### Feedback on your child's homework

Schools are expected to make sure children are given feedback on their homework. It should be given in a way that lets your child

know how well they have done and how they could do better. This may not always happen through written comments from the teacher. Sometimes work will be discussed in lessons or teachers may give written comments on just one or two aspects of a piece of work. If you're concerned about the feedback given to your child you should discuss this with the school.

## The Fireplace - still the heart of your home

**AS** a crucial source of heat in your home, and with a huge range of styles to choose from, fires and fireplaces are once again at the top of the list of desirable features. A fireplace puts heart into a house, and flickering firelight provides a delightful ambience and a real focal point for your room.

Although traditionally constructed of heavy permanent materials, fireplaces needn't be forever. A carefully chosen fireplace provides a dramatic facelift; its installation possibly taking no more than a day or two, and the total cost is worth every

penny when you see the end result!

There are two main aspects to consider. The style and appearance of the fireplace itself and the fuel it will use. Fuel may be the traditional 'solid fuel', or perhaps you find gas or electricity more convenient. There is a vast choice of materials from which a new fireplace can be made. So put the heart back in your home - take a look at the wide range of ideas at Casterbridge Fires Ltd - from stoves to open fires, from wood to marble, from plain to fancy.

Singing superstars  
launch Concerts in  
the West 2012 season

TWO young rising opera stars will be joining forces for the February launch (Friday 3rd and Saturday 4th) of Concert in the West's 2012 series of classical concerts in Somerset, Dorset and Devon. Silver voiced tenor Nathan Vale and flame-haired Irish soprano Sarah Power promise performances of passion, power and beauty as they wow audiences with a spine tingling selection from Handel, Schumann, R Strauss, Tosti, Donizetti, Verdi, Gounod and Bernstein. Accompanying them will be the stunning Spanish born pianist Anna Cardona, an award winning soloist in her own right.

Concerts in the West founder and Director Catherine Hodgson said: "I am confident that this trio of talents will blow away our audiences in Bridport, Ilminster and Hatherleigh. Nathan, Sarah and Anna are already outstanding performers and I am so excited to have them as the opening act for our 2012 series."

As winner of the 2006 London Handel Singing Competition, Nathan Vale lives up to his reputation as "a fast rising star of the baroque world". His singing has been described as having: "wonderful clarity of tone and graceful phrasing." Critics have commented: "his elegant stylish tenor is a delight to listen to" and have hailed him as "an important new tenor who can cope with the demands of the most florid baroque writing".

Radiant is an adjective frequently applied to Sarah Power, who was a finalist in the 2010 London Handel Singing Competition and winner of the LBS Bach Singers Prize. She was also awarded second prize in the prestigious Kathleen Ferrier Singing Competition at the Wigmore Hall. Sarah's voice have been hailed as: "breath-takingly beautiful" and "her flowing, unforced singing gave much pleasure".

Anna Cardona is the 2010 winner of the MBF accompanist's prize at the Kathleen Ferrier Competition and a prizewinner at the Oxford Lieder Young Artist Platform 2011. Recent performances have included venues such as the Barbican Hall, St Martin-in-the-Fields, Crush Room in the Royal Opera House, Covent Garden and Palau de la Musica in Barcelona.

Catherine Hodgson allows her musicians a reasonably free hand in their choice of repertoire, with some guidance from herself. But it is her intention not only to entertain, but also to interest and inform her audiences. So less familiar pieces are included in the programme as well as universal favourites.

Audiences at the February concerts will certainly not be disappointed with the sparkling content, which varies according to the venue. At Bridport Arts Centre the coffee concert will feature Handel, Richard Strauss, Tosti, Schumann, Donizetti and Verdi. While Ilminster Arts Centre and Devon's Lower Pulworthy's evening performances offer a packed programme of Handel, Schumann, R Strauss, Tosti, Donizetti, Verdi, Gounod and Bernstein.

◆ The Bridport Coffee Concert takes place at 11am at Bridport Arts Centre on Friday, February 3rd. Tickets cost £8 and are available from the box office on 01308 424204 or on-line at [www.bridport-arts.com](http://www.bridport-arts.com)

The concert at Ilminster Arts Centre (TA19 0AN - 01460 54973) takes place on Friday, February 3rd at 8pm (a pre-show supper is available from 7pm), and tickets cost £12. The concert at Lower Pulworthy, Hatherleigh (EX21 5LQ - 01837 810940) takes place on Saturday, February 4th and tickets cost £12.

Transported All Over The  
World... and without  
leaving Bridport!

FOREST Forge Theatre Company will transport audiences at Bridport Arts Centre all over the world, and without leaving their seats, in the company's latest production The Phoenix and The Carpet on Thursday (January 19th).

The show, which has been produced by Forest Forge and the Nuffield Theatre, Southampton is a new adaptation of the classic children's novel by E. Nesbit of the same name, and the sequel to the famous Five Children and It.

The story follows a family of children as they encounter a magical Phoenix and a flying carpet. With their help the children travel the world, bumping into some extraordinary characters along the way including an Indian Maharaja, Australian natives Bruce and Charlene and businessman Mr Crinklemuff.

The production remains true to the Forest Forge formula, by including innovative and exciting ways of bringing the story to life. The show will be flying into village halls and theatres throughout the region and features live music, puppetry and magic performed by only five actors playing a total of 26 characters!

Kirstie Davis is directing the show and says: "We are really excited to be working with the Nuffield for the second year running on such a brilliant story. We are having great fun bringing the Phoenix to life. It has been quite a difficult year for everyone, including Forest Forge, and we hope that this magical and fun show puts smiles on everyone's faces and gives our communities a bit of light relief. And as for making a magic carpet fly, that is one secret we won't be giving away!"

The Phoenix and The Carpet is at Bridport Arts Centre on Thursday 19 January at 7.30pm. Tickets are available for £10 (£7 concessions), with a family ticket available for £30.

Murder proves popular  
at The Marine Theatre

TWO weeks prior to opening night, 'Murder in the Oriental Express' is already sold out!

Director Jenny Wiles said 'we're sorry to disappoint people still hoping to get tickets – next year we'll aim to run the event for 3 nights'.

This show is a fundraiser for the Marine Theatre and is being performed by theatre company 'Between Courses', featuring local actors.

Marine Theatre Director Tim Bell said 'The theatre relies on local people and it is exciting to see such a strong vote of support for a company like Between Courses'.

## JANUARY GLADSONG

Seeing as yet nothing is really well enough arranged  
the dragonfly will not yet sing  
nor will the guests ever arrive  
quite as naked as the tulips intended.  
Still, because once again I am wholly glad of living,  
I will make all that is possible step out of time  
to a land of giant hurrahs! where the happy  
monsters dance  
and stomp darkness down.

Because joy and sorrow must finally unite and  
the small heart-  
beat of the sparrow be heard above jet-roar, I  
will sing  
not of tomorrow's impossible paradise  
but of what now radiates.  
Forever the wind is blowing the white clouds in  
someone's pure direction;

In all our time birdsong has teemed and couples  
known  
that darkness is not forever,  
In the glad boat we sail the gentle and invisible ocean  
where none have ever really drowned.

This week's opening poem is by Brian Patten and taken from Penguin Books 'Selected Poems'. From one of the best-loved contemporary poets in Britain we now go over to one of the most celebrated living poets in America. Mary Oliver has about twenty books of poetry to her name so far. Here are three of her poems.

IN PRAISE OF CRAZINESS OF A CERTAIN  
KIND

On cold evenings  
my grandmother,  
with ownership of half her mind –  
the other half having flown back to Bohemia –  
spread newspapers over the porch floor  
so, she said, the garden ants could crawl beneath,  
as under a blanket, and keep warm,

and what shall I wish for, for myself,  
but, being so struck by the lightning of years,  
to be like her with what is left, that loving.

## HOW WOULD YOU LIVE THEN?

What if a hundred rose-breasted grosbeaks  
flew in circles around your head? What if  
the mockingbird came into the house with you and  
became your advisor? What if  
the bees filled your walls with honey and all  
you needed to do was ask them and they would fill  
the bowl? What if the brook slid downhill just  
past your bedroom window so you could listen  
to its slow prayers as you fell asleep? What if  
the stars began to shout their names, or to run  
this way and that way above the clouds? What if  
you painted a picture of a tree, and the leaves  
began to rustle, and a bird cheerfully sang  
from its painted branches? What if you suddenly  
saw

that the silver of water was brighter than the silver  
of money? What if you finally saw  
that the sunflowers, turning toward the sun all day  
and every day – who knows how, but they do it  
– were more precious, more meaningful than gold?

## WHY I WAKE EARLY

Hello, sun in my face.  
Hello, you who make the morning  
and spread it over the fields  
and into the faces of the tulips  
and the nodding morning glories,  
and into the windows of, even, the  
miserable and the crotchety –

best preacher that ever was,  
dear star, that just happens  
to be where you are in the universe  
to keep us from ever-darkness,  
to ease us with warm touching,  
to hold us in the great hands of light –  
good morning, good morning, good morning.

Watch, now, how I start the day  
in happiness, in kindness.

Mary was born in Ohio in 1935. She has won many awards, including the Pulitzer Prize for Poetry in 1984. She is the best-selling poet in the USA and lives now in Massachusetts.

# Top Led Zeppelin tribute return to the Marine Theatre

DESPITE disbanding in 1980 after the untimely death of their drummer John Bonham, Led Zeppelin's reputation and legacy of incredible songs continue to survive and appeal to an ever increasing audience of fans, who in the absence of the original, will have to make do with the UK's ONLY full time professional Led Zeppelin tribute band, *Whole Lotta Led*.

From humble beginnings fourteen years ago the Gloucestershire based band have progressed to playing major venues throughout the country, some of which Led Zeppelin themselves actually played.

Whole Lotta Led are no 'Stars In Their Eyes' lookalikes, they concentrate on the music which is performed with

a collective enthusiasm and dedication that is second to none.

Whole Lotta Led are undoubtedly the hardest working Zep tribute in the UK, and possibly the world, playing over 100 gigs a year to enthusiastic audiences of all ages throughout the UK.

The current line up has been together for ten years now and consists of Nick Ferris on guitar, Geoff Hunt on bass, Graham Twist on drums and Lee Addison on vocals and harmonica. In 2009 the band celebrated their 1,000th gig.

Their shows consist of songs from the entire Zeppelin back catalogue including the all time classics 'Whole Lotta Love' and of course 'Stairway To Heaven', the band also regularly include a selection of Led Zeppelin's acoustic numbers in their shows.

Given the thumbs-up by no less a guitar god than Jimmy Page himself, Whole Lotta led are THE Led Zeppelin tribute band.

Recommended as one of the UK's top tribute bands by 'Classic Rock' magazine, the band are now regularly selling out venues so early booking is advised to avoid disappointment!

Further information about the band can be found on their website [www.wholelotta-led.co.uk](http://www.wholelotta-led.co.uk)

Whole Lotta Led play at the Marine Theatre on Saturday, February 11th. Doors open 7.30pm with the band onstage at 8pm. Tickets cost £12, or £10.50 for concessions, and a TheatreFriends discounts is available.

With a stunning panoramic view of Lyme bay, through glass walls, arcing around from the east to the south cliff. Sunsets can be truly spectacular, setting over Lyme bay, flooding the interior with golden light. No other building in West Bay has such truly stunning views.

Internally you will find a relaxing, comfortable, contemporary modern design that mirrors the exterior environment.

Mix this all together with relaxing music, fantastic food and drink, the best coffee and hot chocolate you can imagine and you truly have a place to feed your soul.

**Café** | Truly top class coffee, fair trade, organic, Arabica beans, the baristas treat them with care ensuring your coffee is always the best it can be. Have you discovered the delight of the pure liquid chocolate? Served in an espresso cup for dipping & spooning, or in the ultimate hot chocolate, one amazing guilty pleasure.

**Bistro** | Breakfast starts at 9am, everything from Porridge, with apple & cinnamon to a full English breakfast. Lunch is available until 3pm, with delights such as grilled goats cheese on a roasted Mediterranean vegetable tart, homemade beef burger with roasted spicy potato wedges, there is always something to meet the most discerning of tastes.

On Friday and Saturday evenings Ellipse is now open from 7pm until 11pm, and is a little more formal with table service and candles, but still relaxed and inviting, serving the new evening menu.

**Bar** | Wines, beers, ciders and spirits are always available.

If you have not yet experienced the pleasure that is ellipse, then perhaps you should come and visit to find out what your soul has been missing.

## Bridport Arts Centre to screen We Need To Talk About Kevin

WE Need To Talk About Kevin is an emotional thriller, based on the Winner of the Orange Prize for Fiction, directed by acclaimed filmmaker Lynne Ramsay (Ratcatcher, Morvern Callar) and starring Tilda Swinton, and will be screened at Bridport Arts Centre later this month.

In the film Eva (Swinton) puts her ambitions and career aside to give birth to Kevin. The relationship between mother and son is difficult from the very first years. When Kevin is 15, he does something irrational and unforgivable in the eyes of the entire community. Eva grapples with her own feelings of grief and responsibility. Did she ever love her son? And how much of what Kevin did was her fault?

We Need To Talk About Kevin will be shown at Bridport Arts Centre Sunday, January 22nd at 3pm, and on Thursday, January 26th at 1.30pm and 7.30pm. Tickets cost £6 Adults/£5 members and concessions.

## "It is better to light a candle than to curse the darkness"

BRIDPORT Quakers are holding a candle-lit vigil in their Peace Garden on Saturday, January 27th, Holocaust Memorial Day. Everyone is welcome to join them for a short period between 2.00pm and 4.00pm for readings and prayers in their tranquil Peace Garden behind their Meeting House in South Street, Bridport.

Candles will be lit, there will be silences to reflect upon the horrors of the holocaust, and you can bring a prayer or a reading to share. During the vigil and afterwards refreshments will be on offer in Meeting House, and an opportunity to discuss with Friends and others the causes of such terrible events and explore what could be done to prevent them.

Holocaust Memorial Day provides an opportunity for everyone to learn lessons from the Holocaust, and apply them to the present day to create a safer, better

future. Bridport Quakers and friends will share the memory of the millions who have been murdered in the Holocaust and subsequent genocides in Cambodia, Rwanda, Bosnia and Darfur in order to challenge hatred and persecution in the UK today.

There will be a display at Bridport Library from January 23rd for a week with more information about the Holocaust Memorial Day Trust and their work. Their theme this year is Speak Up Speak out which Edmund Burke encapsulated in his wise words: "All it takes for evil to triumph is for good men to do nothing."

Bridport Quakers meet in their Meeting House on Sundays at 10.30am and on Wednesdays at 10.30am to worship together; everyone is welcome to join them.

For more information call Jo O'Farrell on 01308 427851.

Further exciting times for Elder & Froy

**ELDER&FROY** are combining their successful Dorchester and Poundbury sites into one Dorchester office, which is situated at 22 Middlemarsh Street.

This merger forms part of the Elder&Froy business plan which was set up when the Middlemarsh Street office opened back in March 2005. The South Street office has assisted very well in the development of the Poundbury site, which is situated in a prominent and highly visible corner position off Pummery Square, with ample free parking all around. Now that both Poundbury and Elder&Froy have well and truly fitted into the landscape, it seemed the perfect time to create this merger.

The team consists of Jo Warren, Nick White and Christina Jones, who are all full-time members of staff, competent in both sale, letting and commercial property, and specialising in Poundbury, Dorch-

ester and village properties.

The Beaminster office complements their radius by offering excellent coverage for all of the villages situated between the County Town and the successful Beaminster Square branch.

To sell or let your property with a fresh approach, attention to detail and utmost an enthusiastic team, please contact the team at the newly merged site on 01305 269200 or via [www.elderfroy.co.uk](http://www.elderfroy.co.uk)

## Audi takes home a trio of What Car? awards

*The Audi A1, TT Coupe and TT Roadster net awards at the car industry's 'Oscars'*

- Audi A1 clinches the Supermini of the Year award for the second time
- 211 PS 2.0 TFSI TT Coupe wins an unprecedented sixth consecutive Coupe of the Year title
- TT Roadster tops Convertible of the Year category

AUDI scooped three category wins at the prestigious What Car? Awards last night at the Grosvenor House Hotel in London's Park Lane.

The awards are judged by a panel of journalists from What Car? magazine, headed by Editor-in-Chief Chas Hallett, who said "Audi is on a roll at the moment, and it picks up a hat-trick of awards this year: last year's overall winner, the A1, is our favourite supermini, and the TT is still successful. It's been around for a while now, but it's still our favourite Coupé and Convertible."

### A1 retains its supermini crown

The Audi A1 cemented its Car of the Year success in 2011 by being named Supermini of the Year for the second time. The What Car? judges described it as "still easily the best supermini on the market. It thoroughly deserves our Supermini of

the Year Award for the second year running."

OTR Prices for the A1 start at £13,420 for the 1.2 TFSI (86PS) SE model and rise to £21,810 for the 1.4 TFSI (185PS) Black Edition model.

### TT Coupe is "truly special"

The TT has topped the Coupe category for the sixth consecutive time at the What Car? Awards. The judges felt that "there simply isn't another coupe that can match its blend of abilities", and added that its 2.0 TFSI engine "gives amazing performance as well as flexibility".

OTR Prices for the TT Coupe start at £24,070 for the 1.8 TFSI (160PS) SE model and rise to £33,390 for the 2.0 TFSI (211 PS) quattro Black Edition model.

### TT Roadster

The TT Roadster kept up the TT family's winning streak with its first What

Car? Award in the Convertible of the Year category. The panel agreed that "It's a car that gets better with age, blending pace and handling with everyday usability and showroom appeal."

Audi TT Roadster

**A triumphant triumvirate** | The A1, TT Coupe and TT Roadster topped their categories at the prestigious What Car Awards in London last night. The TT Coupe scooped an unprecedented sixth Coupe of the Year title, while the A1 clinched its second consecutive Supermini category win, and the TT Roadster was named Convertible of the Year.

ability and showroom appeal."

OTR Prices for the TT Roadster start at £25,320 for the 1.8 TFSI (160 PS) Standard model and rise to £35,370 for the 2.0 TFSI (211 PS) quattro Black Edition model.

Martin Sander, Director of Audi UK, commented: "I'm delighted to find that ac-

cepting three awards from What Car? is one of my first duties as Director. The A1 has had an incredible launch year and is now confirming its status as the star in its segment. The TT's unprecedented sixth award and its Roadster sister's first award from What Car? are testament to their timeless appeal."

## The IMI aims to make 2012 count for your business!

WITH the New Year ahead the Institute of the Motor Industry (IMI) is determined to make 2012 count for you and your business.

The IMI's return on investment (ROI) studies issued last year showed that training drives business and the companies who invested enjoyed increased ROI ranging from 98%-187%. This proves that even though it is a tough economic climate at the moment, ensuring your staff keep their skills up to date can pay off.

A recent research report conducted by the IMI\* found that 76% of businesses offered formal training during the last two years. However going forward, only 57% of businesses were now planning to provide further training over the next two years. The main reason quoted for this was down to cost, with 49% of businesses feeling that training is too expensive.

The IMI can allay this concern by offering a range of training courses to the sector all of which are discounted to members of the Professional Register. Continuing Professional Development (CPD) is an integral part of membership to ensure that professionals can improve their performance, increase productivity and take pride in their career.

Following extensive consultation with those working in the sector, the CPD offer has been developed to meet growing training needs and for the first time brings courses covering areas such as new technology delivered by vehicle manufacturers to those who previously couldn't access these types of training opportunities before.

Keeping up to date with new technology, health and safety and legislation are all essential areas that the CPD courses can address. We also have the pleasure of announcing the release of eight new e-learning courses which are available for as little as £35.

This increases the current e-learning portfolio to 26

courses which vary in their detail and will take as little as an hour to complete but can be accessed for between 6 months and a whole year following the purchase without, for example, leaving the workplace if access to a computer is available.

With the discounts offered to those on the Professional Register, it is a useful incentive to encourage training.

To see the full range of courses on offer and to book visit [www.autocity.org.uk/course-listing](http://www.autocity.org.uk/course-listing)

Join the Professional Register today to see the benefits of CPD and training with the IMI and make training your New Year's resolution for 2012.

## FTA and highways agency on road to working closer together

A MEMORANDUM of Understanding (MoU) was signed by the Chief Executives of the Freight Transport Association (FTA) and the Highways Agency to establish a platform for effective co-operation and understanding between the parties.

The MoU puts an emphasis on both parties working more closely together to promote and develop relevant transport initiatives, for example by developing clearer travel warnings in instances of severe weather such as snow and ice

warnings for HGVs.

Theo de Pencier, CEO of FTA, said: "Both organisations share mutual aims in terms of better serving road freight operators, whether that is about access to up-to-date information or, in the longer term, secure lorry parking provision. With closer collaboration and a sharing of intelligence we look forward to effecting real change for the better."

Graham Dalton, Chief Executive of the Highways Agency, said: "We are delighted to renew and for-

malise our strong working relationship with the Freight Transport Association, reflecting our aim to work more closely together to help all road users experience safer and more reliable journeys.

"We'll be working with FTA to keep freight operators informed, both on immediate issues on the network and on longer-term developments and improvements, and to investigate ways to improve the way we operate for the benefit of the transport sector and wider UK economy."

## Safe young drivers must be rewarded

THE IAM (Institute of Advanced Motorists) is calling on the government to work with insurers to offer discounts on premiums for young drivers who take further driver training, ahead of the Transport Select Committee's report on the cost of motor insurance, published tomorrow. The IAM also wants to see a review of the driving test, to ensure that it is fit for purpose.

The committee of MPs has been investigating the high cost of motor insurance. Premiums have risen significantly over the last few years and this is having a big impact on young drivers.

The average car insurance premium for young males aged 17-22 is £2,977, more than three times the average premium of £907. For young females the average premium is almost twice as much as the average at £1,682. The figure for females will rise further in December when new gender equality laws come into effect.

A survey commissioned for the committee found that 21 per cent of young drivers had considered driving without insurance\*1, and nearly a third (30 per cent) have considered altering the information they provide to insurance firms in order to secure a lower quote.

A recent IAM survey of 2,000 novice young drivers\*2 found that only half reported positively on feeling fully prepared for driving on their own. There is a real need to ensure that young drivers are fully prepared for driving on their own, with reasonable insurance premiums to discourage them from breaking the law by driving uninsured.

Seventy four per cent of novice drivers said that they would definitely take further training if it saved them money on their car insurance. The driving test needs to be reviewed, and a system of post test training, linked to cheaper insurance, introduced.

IAM chief executive Simon Best said: "The simplest way to reduce insurance premiums is to prevent accidents. This is especially true for young male drivers who are most at risk of being involved in an accident. We need to start rewarding good drivers by encouraging further driver training through cheaper insurance.

"Pass Plus no longer provides a respected or effective training offering. The government, insurance and road safety industries need to work closely together to develop a better, universally recognised option – a partnership which the IAM is keen to be a part of."

## PERRY STREET LEAGUE

WITH HOWARD LARCOMBE

Four-goal Baker cooks up  
away day Beaminster win

## PREMIER

**FARWAY UNITED 4 COMBE RESERVES 1**  
FIRST-HALF strikes from Ernie Stobbs, Scott Burrough and James Salter, the pick of the goals, put Farway firmly in control at Eastlee Park.

The Saints, now six games without a point on their travels, pulled one back via a Wayne Behan penalty but Dylan Gair added a fourth for the hosts.

## MERRIOTT ROVERS 2 BEAMINSTER 6

SIXTEEN-year-old Josh Baker was the star of the show as Beaminster moved back up to second place with a 6-2 drubbing of Merriott Rovers.

The young striker bagged four goals as the Rainbows recorded their biggest away win over the season and inflicted a league double on their fast-fading hosts who could well be facing the drop down into division one.

Baker put the visitors ahead in the 15th minute and headed a second on the half-hour.

Murray Legg, playing on the right of a five-man midfield line-up, put the game beyond Rovers with a speculative 25-yarder that squirmed under the 'keeper and into the bottom corner.

Baker bagged two more to extend the lead to 5-0 before some lapse defending allowed Kieran Tanner to reduce the arrears with a free header from a corner.

Will Allen, also restored to the starting line-up, made it 6-1 before James Parkhouse grabbed a late consolation.

Beaminster manager Sean Annetts was understandable full of praise for Baker, he said: "I regret leaving Josh out last week against South Petherton when the team put in what I thought was one of our worst performances of the season. He (Baker) responded superbly and has a natural instinct to be in the right place at the right time in front of goal.

"I was also pleased with Ashley Hall in the back three and Will Allen who both came back into the starting 11 with good performances."

On the down side Annetts was disappointed not have seen his side record their third clean sheet in the league: "We let in two pretty soft goals – both

could have been avoided.

**PERRY STREET 1 WINSHAM UNITED 1**  
WINSHAM United slipped a place to third after they were held to a 1-1 draw by bottom-of-the-table Perry Street at Tatworth.

Sam Symes put the visitors ahead only for Ryan Mason to equalise five minutes before half-time.

## W &amp; M CHINNOCK 2 LYME REGIS 5

LYME Regis extended their lead at the top of the Premier Division to a whopping 10 points with a 5-2 win at relegation-candidates West & Middle Chinnock at their boggy Oxleaze Ground.

"The pitch was a great leveler. Having said that we were poor – one of our worst performances of the season," said Lyme manager Robin Townsend. The hosts took a shock early lead when defender Ashley Lock found himself unmarked at the far post and headed home from close range.

But the Seasiders were soon level when Adam Caddy crossed for Joe Bond to slot home via a defender for his 24th goal of an already impressive season.

A foul in the area then allowed Mark Bailey to put Lyme ahead from the penalty-spot. The midfielder then repeated the act, this time after a handball, for his seventh successful conversion of the season.

The Chinnocks pulled one back after the restart when Ollie Hutchings drilled home a shot through the crowded penalty area.

This set-up a nervy quarter-of-an-hour for the title chasing visitors before Will Mowbray tapped home a fourth and substitute Kieran White crossed for Steve Batey to round off the scoring in the last five minutes to give the Seasiders some breathing space.

"I'd have been disappointed if they'd have snatched a point – they were dangerous from set-pieces but we did more than enough to win the game. Never mind the two penalties - we should have had four or five in the first-half" said Townsend.

## DIVISION ONE

**BEAMINSTER RES 1 FORTON RANGERS 2**  
JOSH Hunter's 20th goal of the season couldn't save Beaminster Reserves from a 2-1 home reverse at the hands of promotion-chasing Forton Rangers.

"It was one of those days" said Beaminster manager Robin Ormsby. "We could, and should have had eight or nine and they had one chance and scored two goals!" continued the Rainbows' boss.

Forton took a 1-0 lead into the interval when Leigh Richardson netted from the penalty spot after referee Paul Spurrell spotted a push in the area – a decision that Ormsby described as "harsh".

South Petherton target Andy Stevenson added a second for the visitors before Hunter reduced the arrears midway through the half but a point-salvaging would not materialise for the hosts who remain in seventh spot in the Division one table.

## LYME REGIS RESERVES 1 NORTON ATH 0

STRIKER Pete Peacock carried his free-scoring form for the Lyme Bantams into the Seasiders' reserve team as he snapped up a half-chance 12 minutes from time to earn the hosts a third win of the season over a struggling Norton outfit.

The tone was set for a decidedly low-key afternoon when the visitors turned up with a bare 11 players, no manager, no bagman and no linesman!

As it was Norton went close to opening the scoring in the third minute when Ashley Rose broke clear and drilled a low shot across the face of the goal.

But it was the Seasiders who went closest to breaking the first-half deadlock when both Jack Durrant and Ben Whittington had efforts kicked off the line with 'keeper Gareth Bennett beaten. Just before the half-time whistle Peacock missed a golden opportunity when he headed over from close range.

A rare error from Will Meech almost handed the visitors the lead soon after the restart when Rose pounced as the teenage 'keeper dawdled too long on

a clearance but could only roll his 25 yard effort past the post with the goal gaping.

Midway through the half Peacock pivoted well before firing a left-foot volley which Bennett did well to tip over.

Lyme manager Gerard Hitchcock then introduced strikers Ryan Fifer and Ben Strong from the sub's bench to try to inject some life into his side and both had an impact. Fifer burst onto a through ball, but with the on-rushing Bennett beaten, toed his effort past the post.

But it was Strong who set up the winner with a clever pass to Peacock who clipped home an inch-perfect winner inside the near post from 12 yards.

## SHEPTON BEAUCHAMP 4 NETHERBURY 0

THE Ambers took the game to the in-form Shepton and totally dominated the first half with a superb display. But the scoreline remained 0-0 at half-time.

The loss of Lee Quincey from the midfield seemed to unbalance the Ambers and Shepton went ahead on the hour, when Sam Murley scuffed a shot under Lee Cuff. This completely knocked the stuffing out of Netherbury and they never really recovered.

Pete Field added a second with a smart turn and shot, with a third coming from a Kris Hastings free-kick that took a wicked deflection. Murley added the fourth for Shepton who have now gone seven and half hours without conceding a goal.

"Football can be a very cruel game at times. We were the better team for the vast majority of the game, but got heavily punished for not making our dominance count" said disappointed Netherbury manager Andy Loudon.

## DIVISION TWO

**CHARMOUTH 2 MISTERTON RES 2**  
CHARMOUTH and Misterton Reserves shared four goals and the points in a relegation clash at Barrs Lane.

Dan Rendall put the Robins ahead with his third penalty of the season but the visitors leveled before the interval through Dan Dominguez.

Dominguez struck again, his seventh goal in a week, to edge Missy ahead only for an own goal to square things up a minute from time as both sides had to settle for a point.

## PYMORE 2 THORNCOMBE 1

GOALS from Gary Corry and Chris Goode saw Pymore leap-frog over visitors Thorncombe after a 2-1 win at St Marys.

Corry put the hosts ahead in the fifth minute only the for the Thorns to level through John Allan before the interval.

But a second-half penalty from Goode sealed the win and fifth spot in the table for Matt Tither's team.

## UPLYME 1 CREWKERNE RESERVES 2

A DEFEATED strike from Aaron Hodges proved decisive as Uplyme's five-game unbeaten home record was ended by Crewkerne Town Reserves who, with previous incumbents South Petherton Reserves inactive, returned to the top spot in Division two as a result.

Dangerman Paul Gold put the visitors ahead with his 14th goal of the season. The Swallows equalised when top-scorer Gavin Fowler looped a header over the flat-footed visiting goalkeeper.

But a shot from Aaron Hodges clipped off Adam Strawbridge giving Lloyd Cleal in the Uplyme goal no chance. Ryan Prendeville and defender Shaun Gould had late chances but the points headed north.

Hosts' manager Rob Coombe picked out Gould, James Beddows and left-winger Sam Jones as top performers.

## DIVISION THREE

**ON FIRE:** Josh Baker proved too hot for Merriott Rovers when he scored four times in Beaminster's 6-2 victory.

**ON TARGET:** Will Mowbray was amongst the goals as Lyme Regis stormed 10 points clear.

**SPOT ON:** Dan Rendall's penalty helped earn Charmouth a point as they were held 2-2 by Misterton Reserves

## MILLWEY RISE RES 4 WAYTOWN HOUNDS 2

WITH rivals Chard United cruising to a 4-0 victory, Waytown Hounds were knocked-off the top of the table when they were beaten 4-2 by Millwey Rise Reserves.

The hosts struck first only for Matt Read to head home an equaliser. Levi Hoole, son of Lyme Regis legend Ellis, sent the Devonians into the break 2-1 up and the lead was extended before Read added his second with 20 minutes remaining.

With five minutes remaining the Hounds were caught on the break as they hunted down a leveler.

Player-manager Mark Hughes said: "We have a few players missing through injury or work commitments at the moment but full credit to Millwey, I think they will probably be one of the strongest sides in this half of the season.

"There's not much between any of the sides in this division and I'm sure there will be a few more twists and turns.

## DIVISION FOUR

## HAWKCHURCH RES 0 UPLYME RESERVES 3

A FIRST clean sheet of the season was the highlight for Uplyme Reserves' joint-manager Kieran Borgeat as the Swallows' second-string made it back-to-back away league wins with a 3-0 victory at Hawkchurch United Reserves.

After a goalless first-half Uplyme were handed an advantage when the Hawks' skipper was shown a straight red card by referee Bob Brunt after kicking out at teenager Chris Matthews.

Matthews exacted the perfect revenge when he latched onto a slide-rule through ball from Jamie Jones before slotting home his fifth goal in as many games.

Substitute James Cope then latched onto a Mark Taylor free-kick and Uplyme were in the clear.

And it was Taylor who smashed home a 40-yard scorcher, his first goal for the club, to round-off the scoring for the visitors.

Borgeat was impressed by the whole squad but had a special mention for Steve Prendeville who had a fine game at left-back after recovering from a vasectomy operation!

## Yasmin wins the day, but Connor takes the title

THERE was an exciting finish to the last match of the year on, the fourth leg of the West Bay Sea Angling Club Junior Section's Jurassic League Final 2011 which was won by Yasmin Harwood whose last fish of the day, a legal sized whiting, edged out Connor Hallett, and James Lawrence who finished third.

However, it was enough to win Hallett the overall title from Harwood, with Morgan Willmott third.

The Jurassic League is a separate series of four competitions fished over the last two months of the year and is based on total weight, and it was a remarkable achievement by both Hallett and Harwood as they were only able to fish three out of the four matches.

Thankfully the weather stayed reasonably fine if a little breezy for the last match of the year on December 17th with 10 competitors signing on to fish; most showing off their home-made Christmas hats, hoping to catch the eye of the judge for the best hat competition.

All but two competitors managed to land fish, with pout, whiting, flounder, five-bearded rockling and pollack showing, and after a neck and neck affair amongst three of the competitors Harwood won the day.

The after match buffet and prize-giving back at the Salthouse saw another good selection

of sponsored prizes for the winners.

### MATCH RESULT:

1st Yasmin Harwood, 2nd Connor Hallett, 3rd James Lawrence, Heaviest flatfish: Yasmin Harwood, flounder 72g, Heaviest roundfish: Yasmin Harwood, whiting 120g, Smallest: Bekah Hughes, H/whiting: Yasmin Harwood, First fish: Yasmin Harwood, Last fish: Connor Hallett, Most same species: tie, James Lawrence/Aaron Hughes, Wooden spoon: Charlie Lawson.

Sponsors: Hilary Smith, Kay Guppy, Steve Harwood, Mike, Hallett, Frank Daw, Andy Preston, Emma Lawrence, Ian Draper, Fred Bowditch.

### JURASSIC LEAGUE FINAL RESULT:

1st Connor Hallett 1197g, 2nd Yasmin Harwood 1018g, 3rd Morgan Willmott 400g 4th James Lawrence 379g, 5th Aaron Hughes 275g, Best Christmas Hat: tie, Morgan Willmott and Elliot Joy. Sponsors: Tiny and Frank Daw, Hugh Rathbone, PJ Wheeler, Fred Batten, Hilary Smith, Punch and Judy Bakery.

The Junior Section would like to thank all of the supporters this past year who have generously donated prizes, and we look forward to the new season which starts on April 14th.

Anyone interested in joining the juniors can find information on the club's website: [www.westbaysac.co.uk](http://www.westbaysac.co.uk)

### LYME REGIS GOLF CLUB NEWS With Steve Percival

**Seniors**  
IN benign weather conditions, with the fairways much dryer than recent weeks, 72 members of the Senior Section took to the course to contest the first of the monthly competitions of the New Year.

Although the greens were a little inconsistent due to recent hollow tyning, the fairways were giving good run and distance with consistency of bounce. As a result some very impressive scores were carded.

In Division One Jim Rowland-Rees (12) carded an excellent 41 points with David Lines (12) and Paul Galloway (14) close behind each with 39 points. David Lines secured second place on countback.

In Division Two Rob Hampson (21) scored a magnificent 43 points with Royston Davies (21) second on 39 and Ian Lyon (21) third with 35 points.

### Junior Golf/Club Monthly medal

THE Junior Stableford held on January 14th saw some very creditable scores carded.

In first place with 38 points was Matt Watson closely followed by Bradley Rowe with 36 and Lewis Cottam with 35.

However, it was in the club monthly medal competition that a junior member of the club showed his true potential. Stuart White, playing off 11, scored a net 71 to take second place in Division One close behind Danny Hopkins (13) with a net 70 and one place ahead (on countback) of James Lambert. Division Two was won by Mark Thirlwell on countback with a net 75 ahead of Ian Lyon and Shane Stone who also scored net 75s to take second and third places respectively.

## Beaminster Ladies toppled

## SWANAGE &amp; WAREHAM 2 BEAMINSTER 1

BEAMINSTER Ladies hockey team lost top spot following this top of the table clash in their first game back after the Christmas break.

With many of the first team regulars missing, they were forced to travel to second placed Swanage & Wareham with the bare 11 comprising a lot of younger players, and despite their inexperience put up an excellent fight.

Beaminster got off to a good start and put the host defence under a lot of pressure but were unable to convert their opportunities, and conceded the only goal of the first-half when they found themselves exposed at the back. Both sides then had chances from short corners but none were taken.

As in the first half, Beaminster began the second period well with solid defending whilst creating chances of their own, and when a one-two between Rachael Andrews and Danni Donovan resulted in the former's shot being blocked, Freya Crawford picked up the rebound to fire home the equaliser.

However Swanage responded quickly and won the game from a shot following a short corner that took a deflection.

Player of the match: Jenny Clarke and Danni Donovan. The result sees the hosts take over at the top of Channel Division One by two points from Beaminster.

♦ Team: Stewart, S.Davies, White, Clarke, Hughes, Dale, Andrews, Donovan, Crawford, Aplin, Girling.

## Busy week for Buckler

AFTER a quiet week which has seen one horse return after over two years away from the track and the other runner retire, this week is the reverse, with a host of local-trainer Bob Buckler's horses due to run this week.

**Dontsatathing** had not run since damaging a tendon at Exeter in November 2009 and made his comeback at Fontwell last Thursday in the Docker Hughes Memorial Novices' Handicap Hurdle over 2¼ miles.

Unfortunately he hated the gluepot conditions and never really got into the race and was eventually pulled up in the home straight before the second last fence.

"He hated the ground but would have come on for the run having not raced for such a long time. We will give him another race over hurdles before trying novice hurdles.

After just two races in new surroundings at Buckler's Henley stables, **Inca's Cave** will be retired after pulling-up in the SIS Live Handicap Chase over 3¼ miles on the same Fontwell card.

It was hoped that switching stables would revitalise the seven-year-old's interest in racing, but his performance last week convinced by owner and trainer that he has fallen out of love with racing and will now go hunting.

"He was fit and well and has loads of ability but is just not interested in racing anymore. He was well in the race until they started to go for home and just decided he wasn't interested. It's a pity because he was a useful chaser.

This week sees a number of the yard's horses competing including two racing out of Buckler's yard for the first time.

**Trenchant** is a very useful horse from Alan King's stable that has run 24 times with four wins and five other placings in his career, and has just started chasing, finishing third and fourth in his races.

He is entered to run at Lingfield Park tomorrow (Thursday) and also at Chepstow on Friday.

**Weld's Pride**, a five-year-old chestnut mare looks to make her debut at Taunton on Thursday in a bumper.

## FOOTBALL ROUND-UP

## Ben bound for Brighton

with Stuart Broom

BEN DICKENSON is expected to sign for Brighton & Hove Albion today (Wednesday) and in doing so becomes the most expensive player in the club's history, surpassing the £35,000 that Portsmouth paid The Magpies for Trevor Senior in 1981; and with additional clauses the figure could top £100,000.

The 18-year-old was playing for Christchurch in the Wessex Premier League where he was spotted by assistant manager Phil Simkin, and joined the Magpies in May last year.

His performances this season have attracted the attention of a number of clubs resulting in three official bids believed to have been from Championship sides Brighton and Burnley and League Two side AFC Wimbledon.

It is believed that Dickenson watched the Seagulls at their brand new Amex Stadium last Saturday and was in negotiations with the club yesterday (Tuesday) with a view to signing today.

Dorchester Town Chairman Shaun Hearn said: "Everyone at the club is delighted for Ben - he's a lovely lad and we have great confidence that he will achieve fantastic things in his career. He showed great application and surpassed all expectations here.

"It's fantastic business for Dorchester Football Club and the biggest transfer in the history of the club, and if he fulfils his potential it will benefit us financially in the future. Although he had signed a new contract until the end of next season, there was no way we would want to stop Ben progressing to what we hope is a very successful career."

EASTBOURNE BOROUGH 1  
DORCHESTER TOWN 4

DORCHESTER Town got revenge for their 3-0 home loss back in August against Eastbourne Borough at Priory Lane on Saturday with a scintillating display that sees them maintain seventh place in the Blue Square South.

Two goals just before the break saw them take a healthy lead into the dressing room and whilst the hosts pulled one back after Nick Crittenden had put them three ahead, a Nathan Walker header saw

them cruise to victory which now gives them 41 points, and beyond the mythical figure of forty which is seen as free from relegation.

With Jamie Gleeson sidelined with medial ligament problems and Kyle Critchell (ill) both missing, and Andrew White nursing a hamstring problem that meant he started on the bench, it was all change once again for the Magpies who are finding it hard just at the moment to send out a settled team.

In a fairly even start to the match in which both sides played some excellent football, the biggest debate was the possible award of a penalty when Rico Wilson was pulled back.

However it was Wilson who opened the scoring on 39 minutes when he was on hand to convert after Eastbourne's keeper Gary Masters failed to cope adequately in clearing Steve Devlin's corner.

The Magpies doubled their lead on the stroke of half-time from a penalty when Tom Nichols was brought down by a rash tackle from Steve Brinkhurst as he jinked his way towards goal from the byeline. The on-loan striker grabbed the ball before spotting it and dispatching it with aplomb.

Ashley Nicholls then had a header cleared off the line before the half-time whistle as the game suddenly opened up.

With Nicholls and Steve Devlin controlling midfield, Dorchester ensured they did not give their hosts the chance to get back in the game and had looked to have won it when Crittenden added a third midway through the half when he appeared to back heel the ball home after Wilson and Nicholls had paved the way.

However Eastbourne pulled one back two minutes later through Gary Hart with a goal that the Dorchester bench felt was offside.

Unfazed the Magpies continued to play football and felt they should have had another penalty when Nicholls was brought down, but made absolutely sure of the points 10 minutes from the end when Walker rose to head home Devlin's cross for a well deserved victory.

Dorchester Town Ladies crowned  
Dorset Womens League Champions

THE Magpies, who only dropped four points all season, clinched the title last week with a 3-2 win against a much improved Bournemouth side and fittingly completed their campaign with a 5-2 victory against local rivals.

Dorchester's manager Tim Carter has nothing but praise for his team, he said: "They have done themselves and the Town proud. They have been committed and worked hard all season. It has always been my aim to win the league since taking charge four years ago and have always said they are more than capable of achieving that goal - they just needed to have some self believe - I am so pleased for them all.

"As often happens players come and go for various reasons so to this end we are looking to strengthen our squad if we are to continue to move forward.

Any players interested in joining us please feel free to get in touch and have a chat with Tim on 07864682539 or email timj.carter@hotmail.co.uk

Herbst injury mars Bees win  
BRIDPORT RESERVES 3

PIDDLTRENTHIDE UNITED 0  
BRIDPORT Reserves cruised through to the semi-final of the Dorset Senior Trophy but their victory was tempered by an injury to Chris Herbst who broke his leg for the second time this season.

The midfielder was injured in collision that saw the visitors Dan Belt red carded for the incident.

Leading 2-0 at this point the game was held up for 20 minutes whilst an ambulance was called to attend to Herbst and take him to hospital, and the game was completed in a low-key atmosphere.

Bridport had penned the Piddletrenthide defence in their own half for the first 20 minutes, but could not find a way through a resolute defence.

However the visitors eventually came out their shell and half chances were created at both ends before the Bees took the lead when Gary Bulman followed up to slot

home after the keeper could not hold Jack Scovell's 25-yard shot.

Scovell then scored the second five minutes before the break when he cleverly headed the ball back across the keeper after a good run and cross down the left by Tristan Gale.

Paul Fellows completed the scoring five minutes from time following the delay when he shot home from inside the six-yard box after the visitors had only half cleared a corner.

Bridport will now play Parley Sports Reserves on March 10th for a place in the final.

## Bowls club attracts new sponsor

WEYMOUTH and Melcombe Regis Bowls Club are celebrating the arrival of 2012 with the launch of an exciting new sponsorship deal to coincide with the club's annual presentation evening at the Crown Hotel last Saturday.

Local care at home providers, Bluebird Care Weymouth & West Dorset have agreed to sponsor the club with a comprehensive package, which will include the provision of green access steps in time for the commencement of the bowling season in April, as well as sponsorship of the club's summer tournament.

The sponsorship officially commenced on Monday when a new club sign, provided by Bluebird Care, was unveiled.

The bowls green has been a feature of Weymouth town centre since 1926 and was originally used by both Melcombe Regis BC and the Weymouth Co-Op clubs.

The two clubs merged in 1995

to become the Weymouth and Melcombe Regis Bowls Club and moved in to the newly erected pavilion during the same year.

Today, the club can boast two men's teams competing in the Dorset County Men's League and three teams in the Percy Baker Triples League as well as a ladies team, formed in 1976, which competes in both the South Dorset Ladies League and the Edna Paisley League.

Club secretary Doug Plumpton said: "We feel quite privileged and proud that Bluebird Care will be sponsoring the club and we look forward to a happy partnership."

Sponsors, Bluebird Care, are a national provider of care at home with over 130 offices in the UK and Republic Of Ireland.

The Weymouth & West Dorset office was opened in November 2011 to cover Weymouth & Portland, West Dorset and Purbeck.

Local director, Chris Scriven,

■ PLEASED TO HELP: Chris Scriven, Bluebird Care Weymouth & West Dorset Director pictured with Weymouth & Melcombe Regis Bowling Club Secretary, Doug Plumpton at the unveiling of the new club sign.

said: "The opportunity to be involved with the Weymouth and Melcombe Regis Bowls Club is a welcome one for us and we are very pleased with the sponsorship arrangement.

"The club has been a landmark feature of the town centre for close to a century and plays an integral part in community life.

Although the sport can be played by those of all ages, we

are keen to support an activity that continues to be accessible to those in their retirement years and the green access steps that we will be providing for the club later in the year will help to ensure greater inclusivity."

Further details for both the club and the sponsor are available from their web-sites at weymouthbowlsclub.co.uk and bluebirdcare.co.uk/Weymouth.

## Bridport bowls club

by Brian Baker

BRIDPORT Ladies have been on great form in the County League.

The 'A' squad picked up six of the eight points away to the Dolphin (Poole) and Wellworthy, whilst the 'C' team picked up the maximum eight points against Moonfleet C at Wellworthy. Margaret Pestelle, Mary Hansford, Meech and Cumberland were just pipped on the final end but Iversen again stole the show with Melody Watts, Arthurs and

Cornick winning by six again securing the overall extra four points.

Against Dolphin Mary Hansford, June Arthurs, Millie Meech and Edna Cumberland lost by seven but Laura Taylor, Pat Cornick, Chris Cowdrey and Barbara Iversen secured the four extra points for an overall win as they won by eight. Joan Griffiths, Chris Minas, Mary Marsh and Janet Tattershall were the stars for the C team, winning by 17.

They were well supported by Rosie

Wilton, Beryl Stork, Mary Corfield and Janet Bird who finished three up.

In the Purbeck Trophy League, Brian Iversen, Keith Brooks and Brian Rumble picked up two points for the Ateam with a 20-16 win against Bournemouth. Bernard Winton, David Eastman and Brian Morgan secured two points for the B team, also against Bournemouth with a 17-12 victory.

Although losing to local rivals Axminster on all three rinks in a friendly match, club spokesman Brian Baker said: "We all left with smiling faces after enjoying the superb hospitality of our hosts."

Rosie Wilton, David Aylott, Bernard Waterman and Baker were leading 19.15 but dropped a five count on the final end to lose 19.20. Sue Gentry, Brian Parker, Phil Hedges and Peter Hunt, and Jan Briggs, Thelma and Brian Pratt and Martin Wilton went down 7-25 and 8-28 respectively.

## RUGBY ROUND-UP

with Keith Jenkin

# Cup final glory for Weymouth

A FULL round of league fixtures took place on Saturday last, although WEYMOUTH had some rather important fish to fry before then, and travelled to Gillingham on Wednesday evening to take on SUPERMARINE of Swindon in the final of the Dorset & Wilts Vase.

### WEYMOUTH 32 SUPERMARINE 10 (WEDNESDAY)

WEYMOUTH began this Dorset & Wilts Vase Final with considerable intensity and such was their domination of the first half hour that, by the end of this time, they had taken control of the encounter.

Having taken an early lead via the boot of Nick Sheppard who kicked a penalty goal, they increased it soon after when Joe Wilson pounced on an opposition handling error on halfway and had the legs to get over for the try that was converted by his stand off.

A second Sheppard penalty goal followed before the end of the first quarter to take the score line to 13-0, with Supermarine wondering just what had hit them.

Weymouth continued to turn pressure into points by scoring an unconverted try in short order, and it was a good one. Having spun the ball wide, winger Quick made good ground and his inside offload was linked back to Isles who touched down.

More was to come. From a set scrum near halfway, scrum-half Barter broke, and showed his number to the cover before diving over. Sheppard converted this one to take the score line to 25-0, and to virtually make the result safe.

All this was really too good to last and it did not do so. Supermarine, who were certainly not mugs, began to win some possession and reduced the arrears with a converted try of their own. Weymouth then began to give away penalties and, just before the break, Sheppard had to carry the can for his colleagues' persistent offending, and was sent to the bin. Supermarine converted this last award to take the half time score to 25-10.

Weymouth now had a rather tricky few minutes to negotiate, and did so by kicking the ball deep and thus winning the territorial battle for much of the third quarter.

Their influential back row of Hamlyn, Quick and Morris really came into its own at this juncture and they were restored to full complement without further inconvenience. In fact their control continued throughout and they imposed further pressure on the Supermarine line throughout the final few minutes, and this culminated in a final try, touched down by flanker Morris and converted by Nick Sheppard to complete the scoring, and to take Weymouth to a comprehensive and valued win.

◆ Note: As winners of the Dorset & Wilts Vase, Weymouth now "go national" into a competition, the final of which is played at Twickenham.

Word has it that the next round will be played at Weymouth, with Drifters the opponents, on 11th February, subject to confirmation. That should be a good occasion!

### WEYMOUTH 48 NORTH DORSET 2nd 5

WEYMOUTH rounded off what has been both a busy and highly successful week by beating the North Dorset second string convincingly.

They were ahead before the game was two minutes old after winger Will Quick rounded his marker and had the gas to touch down in the corner.

The try remained unconverted and the following few minutes were generally inconclusive as both sides took time to settle.

The home side did manage to put some phases together around the 20 minute mark however and moved further ahead after Robinson on the other wing had been put into space. He made the line out wide, and his try too was unconverted.

Out half Sheppard then got into the game when, after a little "show and go", he crossed the line, and converted his own try for good measure to put daylight between the sides. It only remained for lock Joe Gibson to wrap up the bonus point just before the break when he charged over after a bout of Weymouth pressure. His unconverted effort took his side clear at 22-0 ahead at the halfway stage.

The second-half could well be described as the Wilson and Quick show. First centre Joe Wilson chased a long clearance, gathered and scored and, although the visitors came back with and unconverted try of their own, the same player then cancelled out this score by cutting a good line to carve his way through the North Dorset to touch down. Sheppard converted this one, thus taking the score to 34-5, and keeping Weymouth well clear.

Quick then got in on the act, being on hand to take the off load after a scrum half Barter break. This try was converted by Lewendon, as was the next one, again touched down by Quick after he had "gassed" the visitors' cover. This completed the scoring and, if there were a few self satisfied smirks on Weymouth faces in the bar after the game, who can really blame them.

### POOLE 26 WEYMOUTH 2nd 17

IN complete contrast this was a most frustrating day for the Weymouth second side.

Having watched as the home side amassed a 17 point lead, they managed to get back into the contest by scoring tries through Nathan Allen and Grieg, one of which was converted, and ended the half looking the more positive side, although they were behind.

The second half was their downfall in spite of some good work by Sean Murphy. They gave away far too many penalties, were penalised ten yards on several occasions for "rabbit", and suffered a couple of sin binnings to boot! The streetwise home side took full advantage by converting three of the penalties and, although Murphy scored an unconverted try to narrow the gap, they could not do more, and were left learning anew the value of discipline.

Weymouth thirds also ended the day in second place, losing 7-24 to Swanage & Wareham 4th.

### PUDDLETOWN 81 WINCANTON 0

WINCANTON are not bottom of the division by accident and it showed as Puddletown scored thirteen tries without reply during a very one sided encounter.

In fact they started a little diffidently before centre Hiscock set the ball rolling by breaking the visitors' defensive line twice, and touching down on each occasion. These unconverted tries palpably relaxed his side and they then began to play to their capabilities.

Lock Moise was next on the score sheet. He crossed by the posts for skipper Yeatman to kick the first of his eight conversions. Winger James House got the next, taking advantage of space in the outside channel. Out half Musgrove, not to be outdone, then wriggled over.

With the bonus point now well and truly secured, full back Marcus House ran to the line before Yeatman touched down after a solo effort. House then set up brother James for his second try of the half and that took the score line to 48-0 at the halfway stage.

Puddletown duly rang the changes at the halfway stage and temporarily lost some of their cohesion. The loss was only temporary however. James House completed his hat trick before the game was fifty minutes old before flanker Watts got one for the pack. Replacement Ryan Snook then scored twice, with a try from winger Dan Udell providing the meat in the sandwich.

Feel just a little sorry for Wincanton. They chased shadows for 80 minutes and ended the day with no reward for their efforts.

### BRIDPORT 43 IVEL BARBARIANS 14

IT was a very satisfying afternoon for the Bridport side as it beat a side who had got the better of it earlier in the season, and beat it comfortably at that, with the result being virtually sewn up by the halfway stage. They opened the scoring with a King penalty goal, and extended their lead soon after with a try by flanker, Herbert.

King then kicked his second penalty of the game before Mike Pibworth scored out wide, with King adding the extras. Ivel did get a converted try back on the half hour but, generally speak-

ing they were having difficulty coping with Bridport's intensity, and unconverted tries by wingers Colbourne and Clarke before the break ensured the bonus point.

The third quarter was a rather scrappy affair. The visitors got another converted try and, with the result seemingly still safe, Bridport tended to lose their way a little.

King kept the scoreboard ticking with another penalty goal however and, during the final quarter, converted a try touched down by hooker King who showed good pace on his way to the line.

Bridport were out of sight now and it only remained for flanker Tim Edwards to put the gilt on the gingerbread by diving over during the last play to leave Bridport pretty satisfied and Ivel, who had lost discipline rather during the final quarter, rather frustrated.

It was a good day for the Bridport club all round, with their second side coming out on top by 48-25 after a high scoring encounter against visitors Oakmedians thirds.

### TROWBRIDGE 24 DORCHESTER 12

CONDITIONS underfoot were heavy at Trowbridge, something that would not have been to Dorchester's liking, for the playing of running rugby was difficult.

Both sides did have scoring opportunities during the first period, but defences were on top for much of the time. As it was, the only score came from the home place kicker who landed a penalty goal after Dorchester had infringed.

Matters opened up marginally in the second half and, after a second penalty had increased the home lead, Toby Waddington took advantage of a defensive slip and scored a try out wide that remained unconverted. A third home penalty goal set Dorchester's effort back however and, in the final quarter the Trowbridge pack established something of an edge.

Much of the play was now taking place in the Dorchester twenty two and, after a concerted move Trowbridge scored an unconverted try. A second try, converted this time, followed soon after and, with the score now standing at 21-5, a home win looked likely.

Dorchester then showed that they could be dangerous and, having turned over possession on their own line, started a movement that went the whole length of the field, and ended with scrum half Dave Gower diving over by the posts. Bament added the extras, and his side were now just about in touch.

It was not to be. The home kicker then kicked his fourth penalty of the game in the final few minutes to take his side to safety and to leave Dorchester without even a losing bonus point to show for their afternoon's work.

### FROME 3rd 48 DORCHESTER 3rd 5

THIS was always going to be a difficult game for the Dorchester third side, and unavailabilities and other calls did not help their cause overmuch. At first all went well but subsequently home tries came thick and fast as Frome's forward pressure told.

The game went to uncontested scrums at the break and the visitors fared better thereafter, with hooker Martin and prop Congo both making inroads, and the latter eventually getting over for an unconverted try.

There were others too that stood out in adversity. Tim Stephens mauled well. Taylor and Bennett made some hard yards, and scrum half Selsdon put in a good tackling stint. It was all to no avail however as the home side won with ease.

### PREVIEW

The second, third and fourth divisions of the Dorset & Wilts League take a holiday on Saturday next, and the majority of the local clubs' second and third sides, together with PUDDLETOWN are without league fixtures.

The exception is the Dorchester third side. For a reason known only to the league fixture moguls they travel to Swanage & Wareham fourths.

BRIDPORT face something of a stiff test. They travel to WARMINSTER a side that, having lost its first two league games of the season, has not really looked back since, and is now in

the division's top flight. Records show it to be a bit attritional and it certainly has the enviable habit of winning its close games, that include a single point win over Weymouth recently. Bridport will have to be at their best if they are to stand a chance of returning with anything. I would certainly put this one down as a home win on a pools coupon.

DORCHESTER have an easier task on hand when they entertain BLANDFORD who lie in a relegation place and who will, I think, still be there at the season's end. Dorchester won the earlier game at Blandford by a couple of scores and I think that they will win this one with some comfort.

WEYMOUTH too are on the road. They make the journey to SHERBORNE 2nd. Now I seem to remember watching the earlier game at Weymouth when the home side galloped away with the result, winning by 47-5.

Sherborne, while doing the basics well enough on that occasion, could not cope Weymouth's incisiveness in attack. They did not seem to be able to cross the gain line overmuch when in possession either, and I take Weymouth to win this one with quite a bit to spare.

## News from Weymouth RFC

### Weymouth 2nd 32 North Dorset 3rd 12

WEYMOUTH 2nd's welcomed back Kevin Jones, Max Vallance and Nathan Allan from injury, and included Richard Polley who was playing his first game of the season.

Weymouth try scorers were William Haine on his debut, Polley, Allan, Mike Robinson and Gordon Tye (2) who also converted a brace.

### Under 8s

THERE was a great start to the new year for the Weymouth under 8s who won two of their three games against Lytchett Minster 8-7 and 4-2 before drawing 11-11 in the final game.

Team captain for the day was Millie

Berry who showed some great skills in organising her team.

Jacob Brunell, Jordi Murphy and Xavia Hughes scored some great individual and teamwork tries for Weymouth, whilst Thomas Williams showed some outstanding work in defence, with James Piles and Finley Wyatt being creating great opportunities going forward.

Player-of-the-Day award went to George Cartwright for his outstanding all-round contribution.

### Under 7s

THE first match of the year saw a small squad of four travel to Lytchett Minster who were keen to try out the new rules of four-a-side on a smaller pitch.

The first reaction was that defending is too difficult, with the first receiver often breaking through for a try.

However, once warmed up more tags were getting grabbed and a more consistent pattern emerged.

The Weymouth team of Rowan Milroy, Cory Baker, Marcus White and Cormac Walkington made some great runs in the first game and after leading 9-5 at the interval went on to win 13-11.

For the second match it was agreed to tweak the rules to try and get a bit more passing into the game, with at least three passes needed after a re-start before the try would be allowed.

This led to a number of interesting attacks, with quick passes followed by solo running.

# Lead stretched to 10pts in Chinnock mud

LYME Regis came from behind to beat lowly West & Middle Chinnock on a dog's breakfast of a pitch at Oxleaze Mark Bailey bagged two penalties, as the team moved 10 points clear of old rivals Beaminster at the top of the Perry Street League Premier Division. The Seaside have no fixture on Saturday.

Lyme Reserves moved up a place to fifth in Division One after Pete Peacock netted the winner in a 1-0 victory over Norton Athletic.

The Reserves entertain Beaminster Reserves at the Davey Fort on Saturday (2pm ko).

Lyme Bantams had no game last weekend but return to action with a Daisy Hutchings Cup last 16 tie against South Petherton Reserves at the Woodroffe School on Saturday.

It should be a routine win for the visitors who currently sit well-placed for a tilt at promotion in third place in Division Two.

With the Bantams lying in midtable in Division Four it all points to an away win – but the Lyme club's cup-fighting pedigree is renowned throughout the league, it could be an interesting encounter.

Also vying for a place in the quarter-finals are Ulyme who will look to put a mini-slump behind them when they travel to Division three outfit West & Middle Chinnock Reserves.

Swallows' manager Rob Coombe felt his side deserved to have taken something from last weekend's 2-1 home defeat at the hands of high-flying Crewkerne Town Reserves.

There was better news from the Ulyme Reserves team camp as Mark Taylor scored the pick of the goals in a 3-0 win at Hawkchurch United Reserves.

serves. Next up for joint managers Andy Cleere and Kieran Borgeat is Saturday's trip to Chard United Reserves.

Meanwhile a last-gasp own goal earned Charmouth a point from Saturday's visit by Misterton Reserves as the Division Two basement battle ended 2-2 at Barrs Lane. The Robins have no fixture at the weekend.

◆ **Goals from Ben Prosser (2), Finlay McLean and Cody Bowditch** earned Lyme Regis u12s a 4-2 win over Kings Park Dynamos. The young Seaside travel to top-of-the-table Shaftesbury Rockies on Sunday.

Lyme u14s led 1-0 through Matt Watson at half-time in their wind-affected game at Weymouth Terras. But the hosts recovered to win 3-1. Next weekend, the team, still lying second in the Dorset Division One table, travel to lowly Broadstone.
